

Environmental Agency Recommends GC Action On Secondary Treatment

The Illinois Environmental Protection Agency recommended to the Granite City Council in its regular meeting Monday night that the city begin immediately the planning and engineering work necessary to install secondary treatment facilities.

The state agency pointed out in its communication to city officials that revised standards for water pollution control has stepped up the deadline for additional treatment facilities to Dec. 31, 1973.

Granite City had a previously scheduled deadline of Dec. 31, 1973, for completion of additional facilities.

Alderman Steve Basarich, chairman of the council's Pollution Control Committee, announced that a meeting will be held as soon as possible, probably next week, to select an engineering firm that will handle detail planning for construction of a secondary sewage treatment plant and a system of interceptors.

Six firms bidding the city has received applications from six engineering firms who are bidding for the engineering and planning work. Selection of an engineer and an immediate start on planning the treatment plant and sewer lines was urged by the mayor.

Basarich said that all of the engineers who have applied for the work "agree that it is going to be difficult to meet the deadline."

Mayor Partney has estimated cost of \$4 million for construction of a secondary sewage treatment plant and another \$3.5 million to build interceptors and sewer lines necessary to improve sewage flow from lateral sewers to the expanded treatment facilities.

The city hopes to build the treatment plant and additional sewer lines with federal and state help. Under new legislation providing aid for communities in development of water pollution control facilities, Granite City may be able to obtain 80% of the financing in state and federal funds, according to Partney.

ficient funds for the preliminary work stages can be obtained. Partney added that his discussions with state and federal agencies indicate 90% of the treatment plant and sewer line funding can be obtained from the federal government, while the state will provide 25% to 30% of the cost out of the \$750 million bond issue approved in the Nov. 3 election.

He said this would leave the city with only 20% to 25% of the cost. Revenue bonds will be necessary to finance the city's share of the work, Partney said.

School Board to Urge Maryville Traffic Signal

The Granite City Board of Education will request the city government to place a pedestrian stop light at the Maryville School crossing, scene of a tragic traffic accident last week.

During a discussion at a regular meeting Monday night, School Supt. B. J. Davis told the board that the school district is not permitted to erect a stop light or employ a crossing guard at the school as it is within the city limits.

Many of the pupils must cross the four-lane Maryville Road to and from school. At present protection is limited to the school boy patrol. It was pointed out.

According to the Illinois School Code, a school district is authorized:

"To acquire, install, operate and maintain traffic signals relative to school crossing protection and school crossing stop signals and to employ persons for the purpose of directing school and school crossing stop signals on or along streets and highways or portions thereof within a radius of one mile from such school grounds. The power is subject to the following:

"All signs and signals to be erected shall conform to the Department of Public Works and Buildings manual and specifications and shall be justified by traffic warrants stated in the manual and all pertinent provisions of the Uniform Act Regulating Traffic on Highways, not inconsistent with the provisions of this section, shall apply."

Frank Kayich Appointed Assistant City Collector

The appointment of Frank W. Kayich, 2801 1/2 Madison Ave., as assistant city collector, was approved by the Granite City Council in regular meeting Monday night.

The council concurred in the appointment made by City Clerk Robert Stevens who was designated as city collector last fall in an ordinance creating the office.

Stevens explained that Kayich will be in charge of collecting city delinquent license and permit fees under a section of the state statute which will pay Kayich 2% of the collections made by him. The post does not entail a salary, Stevens pointed out.

Creation of the city collector's office and Stevens' appointment of an assistant collector to handle the work was approved by city officials in a move to cut down a growing amount of delinquencies in payment of fees due the city. Mayor Donald Partney said the delinquency "has become substantial."

Legislation Creating Levee District In Quad-City Area to be Filed

By HARRY BARNES
Press-Record Staff Writer

A legislative bill that would separate the Quad-City area of the East Side Levee and Sanitary District from St. Clair county is being prepared by the Illinois Legislative Reference Bureau and will be introduced in the Illinois House as soon as it is ready, it was learned by the Press-Record today.

State Rep. Horace Calvo (D-Granite City) said the legislation is being prepared at his request on the basis of detached data and legal research which he initiated in mid-November last year.

He said State Senator Sam Vadalabene (D-Edwardsville) has pledged his aid in pressing for adoption of the measure in the Illinois Senate.

The bill, Calvo said, would "create a new levee district encompassing the territory of the present levee district that is located only in Madison county (primarily the Quad-City area)."

He explained this would leave the St. Clair county sector of the present levee district "on its own" as the remaining territory of the levee district is originally was created under a separate legislative act in 1907.

Creation of Legislation
"The East Side Levee District always has been and now is and always will be a creature of legislation," Representative Calvo said.

The legislator said that he had planned originally to announce his plans for legislation dividing the Madison and St. Clair county sectors of the levee district after the bill had been prepared by the reference bureau.

"But because of growing turmoil over conditions within the levee district and demands that something be done to aid taxpayers of the Madison county sector of the district, I believe it is best to make my plans known at this time," Calvo said.

Patrick Pledges Opposition to Machine Control

Edward Patrick, a Namekowi township collector who is circulating petitions as a candidate for supervisor in the April 6 township election, denied in a statement yesterday that he is involved in a "power struggle" for control of Namekowi township politics, and said it is his objective to prevent control of the township by any "closed charter machine."

Patrick is one of three persons who have picked up petition forms at the township office as potential candidates for supervisor. The others include Harry Briggs, incumbent township supervisor, and Charles Hanks, now highway commissioner. Neither of the three men has yet filed.

The supervisor's post also is being sought by Louis Whitsell, Namekowi town clerk, who filed his nominating petitions on the first day of the filing period. Whitsell has filed on a "Truth in Action" party ticket with Albert Bell as candidate for highway commissioner. The supervisor and highway commissioner offices are the only posts open to election this year.

Fred Reecer Files
Fred Reecer, Highway 111, filed petitions last week as a candidate for highway commissioner.

Patrick said in his statement: "I am not involved, as it was stated in the latest issue of the Press-Record, in a power struggle for control of Namekowi township. I am involved, just as I was four years ago, in an attempt to prevent complete control of Namekowi township by any 'closed charter' machine, which excludes any and all who differ with them from being represented in local government affairs."

"I am opposed to elections being followed by a two-year vendetta against other duly elected officials for the simple reason that they must be whipped daily lest they may run again for office."

"I am opposed to automatic, identical board votes on all subjects based solely on which side made the proposal and regardless of its merits. That form of government is amply represented in our area and I see no advantage in Namekowi township furthering it."

"I am opposed to the principal that if you are with us at election time, you are automatically right on all subsequent issues and if you were against us you must be constantly and invariably wrong."

Contract Awarded for Sewer Break Repairs

A contract for repair of a new sewer break at Faith and Warren Avenues was awarded by the Granite City Council Monday night to A.H. Sebald Co. on a low bid of \$17,120 covering estimated costs on 7 different unit items listed in the specifications.

The contract was the lowest of two bids, the other totaling \$22,022 in an offer by the G.H. Sternberg Co. Sternberg, however, bid only on the first five unit price items of the specifications and did not bid on two phases of work.

The contract was awarded on a motion by Alderman Walter Noma after Sternberg, who was in the audience at the council session, criticized the method of bidding. He said he was unable to bid on the two items omitted from his contract because he had insufficient information on which to base an offer.

The advertisement for bids was published last Thursday to obtain prices in time for action on a sewer repairs in Monday night's council session. The new sewer break was discovered two weeks ago.

"I began trying to locate Kleberger (Kenneth Kleberger, consulting engineer) Saturday morning and was unable to locate him," Sternberg said. "Monday morning my office received a call from Kleberger notifying us that two additional items—dewatering and pumping—had been included in the specifications."

Lacked information "There was no other information as to how much pumping would be figured into the contract or how extensive the dewatering might be," Sternberg said. "That is no way to call bids."

The council Monday night also passed, for the second time, an ordinance annexing an 80-acre tract of land south of Pontion Road and west of the right-of-way of the Alton & Southern railroad crossing.

The ordinance was adopted again after Ordinance Committee Chairman Paul Schuler told the council that the ordinance passed last month was ineffective because the Long Lake Fire Department, which serves the annexed area, had not been notified of the annexation proceedings.

The annexed property is owned by Lou Wolf who has announced plans for development of a 500-apartment unit complex on part of the land and a shopping center on the other part. The council approved rezoning of the land for residential and commercial purposes at the time it approved the first annexation ordinance on Dec. 21.

Ask Negotiation Arthur Griffin, business manager of Laborers Union local 387, notified the council by letter that the union wishes to reopen the existing wage agreement "for the purpose of negotiating changes" and said the union is ready to meet at any time with the appropriate council representatives.

Mayor Donald Partney suggested setting up a negotiating committee, but the council approved a motion by Alderman Noma that the letter be placed on file and referred to an appropriate council committee.

A petition by the Dale Construction Co. for rezoning of a 31-acre tract of land was referred to the City Plan Commission. The council also referred to the plan commission a request from Passport Corp. of Maryland Heights, Mo. for permits to construct a gas-car wash facility at 318 Nameki Road.

Meeting Feb. 4 On School Area Lights, Guard

All government agencies are interested in improving traffic safety at the Maryville Road pedestrian crossing adjacent to Maryville Grade School, representatives told the Maryville PTA board Tuesday night.

Proposed steps involve installation of lights and hiring of an adult guard. Financing remains to be arranged. Two pupils of the school were struck by an auto Jan. 19, one being killed and the other hurt critically.

Principal Jack Mulach opened the meeting and Guy Lafr of the PTA presided. Participants included Mayor Donald Partney, Deputy Sheriff Demos Nicholas, School Supt. B. J. Davis, Donald Stucke of the school board, Fred Bartlesmeyer, Illinois Traffic Division engineer, Harold Ruffner, Illinois Highway Division traffic engineer, City Attorney Leon Scroggins, Nameki Supervisor Harry Briggs, Town Clerk Louis Whitsett and Alderman Thomas Baker.

Hit-and-Run Accident David Robert Warren, 202 Benton St., reported that the left front fender of his auto was struck by a hit-and-run driver between 7 and 9 p.m. Monday at 22nd Street and Delmar Avenue.

With Construction Unit Navy Seaman Apprentice Joseph D. Greene, son of Mrs. Sophia Greene, 4310 Kirkpatrick Homes, is now serving with Amphibious Construction Battalion One at the Naval Amphibious Base Coronado, San Diego, Calif.

High Court Hears Levee Dispute

The Illinois Supreme Court took under advisement at Springfield yesterday arguments on a motion to set aside an Appellate Court stay order under which four trustees of the East Side Levee and Sanitary District remain in office.

There was no indication when the court may rule on the issue. Meanwhile the four trustees—Morris Campbell, George Duff and Lawrence Tolar of East St. Louis, and William "Mike" Elberndt of Venice, remain in office under the Appellate Court order issued in early December.

The trustees were convicted of misconduct in office last Sept. 21 and subsequently were sentenced to three-years probation, fines of \$1250 each and removal from office. The circuit court ordered immediate ouster from office, but the Appellate court order set aside the ouster ruling and permitted the trustees to continue in office pending outcome of appeals.

Robert Rice, state's attorney of St. Clair county appeared to the Supreme Court for an order reversing the Appellate Court ruling. Kenneth Juon, assistant state's attorney of St. Clair county, argued before the high court yesterday that an appeal of the convictions does not stay automatic forfeiture of office under the law.

Meanwhile, the deadline for filing nominating petitions as candidates in a special levee district election called by Governor Robert Ogilvie, is to close Tuesday at 5 p.m., according to County Clerk Eulalia Hott. Petitions for the two trustees open to election in Madison county have been obtained by John Mangiaracino as a Republican candidate, and Dale Higgins of Granite City as a Democratic candidate. Neither has filed.

Stock Market Outlook Favorable, Club Told Granite City Rotarians on Tuesday heard a favorable forecast on the stock market by Bart Basola of Collinsville, a broker with Merrill Lynch, Pierce, Fenner & Smith. He was introduced by Harold Bauman.

President John Polson appointed Edward Meng, Marvin VanMetre, Richard West, Robert Hillard and Gary Davis to plan a "chill day." A nominating committee consists of Carl Mathias, Glenn Abernethy, Dean Maberry, William Thoele and Meng. A Valentine party Feb. 13 was discussed.

Claims Truck Hit Fence Mike Bogosian, 1712 Chestnut St., reported Wednesday that a garbage truck knocked down a corner of his fence at the alley more than a week ago. Milam Corp., operator of the city's garbage service, denied the claim.

Woman Dies

8-month-old daughter Shannon was admitted following x-rays to the skull, spine and shoulders. Mangiaracino was treated for abrasions to the nose and right knee and was released following x-rays to the face, skull and knee.

Mrs. Lynda Bolinger, 31, of 2434 Adams St., complained of pains when an auto driven by her husband, Richard E. Bolinger, was struck from behind by a car driven by Alvin Lee Dulaney, St. Louis, at 1:20 a.m. today at 20th Street and Niedringhaus Avenue. Dulaney was charged with reckless driving.

Ardean M. Garrison, 32, of 4229 Walker Ave., complained of pains after her auto, stopped in traffic for a left turn, was struck from behind by a car driven by K. Evans, 328 Kilmer Drive, at 4:30 p.m. Monday at Wabash Avenue and Johnson Road.

Services Held for Homer Frohardt, 85

Funeral services were held Tuesday in Omaha, Neb., for Homer O. Frohardt, 85, of 3303 Arbor St., Omaha, a former Granite Cityan, who died early Sunday. Among the survivors are three brothers, Elmer P. Ralph, 7, and Waldo E. Frohardt, all of Granite City.

Mr. John Frohardt was one of three Quad-City young people enrolled in the first high school class started here in 1888 by his father, Prof. L. P. Frohardt. His little students were Mrs. Lillie (Niemann) Barker, whose daughter, Miss Marguerite Barker, is a teacher in the Granite City school system, and Miss Jennie Willis, who taught school for many years in Venice.

Deadline for Homestead Exemptions is Extended

The deadline for filing Homestead Exemption applications under 1969 legislation providing \$1,500 reductions in the assessed valuation of property owned by persons 65 or older has been extended until March 12, according to the office of Granite City Township Assessor James Barton.

The extension of time was approved by the Madison County Board of Review. The deadline had been set at Jan. 31. Barton said the new time limit will offer more time for elderly persons to claim the reductions in assessed valuation of properties of which persons 65 or older, either as whole or part owners, are entitled under the 1969 Homestead Exemption Act.

Barton explained yesterday that persons newly entitled to the exemption this year are those who reached the age of 65 prior to Jan. 1 of this year. Persons who become 65 during the 1971 year are not eligible to participate in the program until January, 1972, Barton said.

Those applying for the first time this year, on the other hand, must have their deeds and proof of ownership when they apply, Barton said. The assessor's office has moved into new ground-level quarters at 2037 State Street for the convenience of the large number of elderly persons applying for the exemption on real estate property. The office will be closed Monday because of the Lincoln's Birthday holiday advanced to Feb. 1 from the usual Feb. 12 date.

Student Leaders Discuss Lively Conference Topics

Shoplifting Charge

Euther Willard Tidwell, 52, of 2203 Edna St., was charged with theft in Madison after he was arrested at 4:40 p.m. Tuesday in the Schermer Bros. Market, 12th Street and Madison Avenue. He was shopping in the store and is alleged to have placed a bottle of gin in his pocket, failing to pay for it when he paid for his other groceries, police said.

Eighty-three student leaders from Granite City, Madison and Venice High Schools arrived with plenty to talk about and left "talked out" at the third annual Youth Conference in the YMCA Wednesday.

The students were given plenty of time to express their feelings on race relations, drugs and student-teacher relationships in almost four hours of group discussions.

The activities began at 8:30 a.m. with a group warm up conducted by Demos Nicholas, investigator of the Madison County Sheriff's Department.

Shortly after 9 a.m. the students adjourned into assigned discussion groups where they remained until noon.

Lunch was served by the United Church Women and the tab was picked up by the Venice Lions Club, the Madison and

Granite City Rotary Clubs, the Noon Optimist Club and the Jaycees of Granite City.

After lunch the students were assigned to other discussion groups and expressed their views on a second topic until 4 p.m.

The discussion on drugs was conducted by Nicholas, and the student-teacher relationship was chaired by Gilbert Walms-

ley, former assistant high school principal and presently the principal of Prather Junior High School. Charles Hampton, an East St. Louis teacher, acted as resource leader for the discussions on race relations.

Faculty advisors at the conference were Walter Warfield of Madison High School; Margaret Booth of Venice High School and Al Leavell of Granite City High School.

Representing the Illinois Youth Commissioner's office was Bill Whetstone, and the YMCA representative was a Charles Hasse, youth director. Gene Sternberg, area civic leader, invited the students to participate in the Tri-Cities Community Congress March 6 at Granite City High School which he will chair for the Chamber of Commerce.

The participating schools take turns hosting the Youth Conferences. This year Madison High School was host.

Louis Marth, 93, Dies; Former GC Resident

Louis Marth, 93, of Pocahontas, Ill., a former resident of Granite City, died Tuesday at the Hillview Lodge Nursing Home in Arnold, Mo. He had been ill two years and was admitted at the nursing home three months ago.

Mr. Marth, a native of Illinois, had lived five years in St. Louis. He and his wife, the late Elizabeth (Krauskopf) Marth, who died April 22, 1967, made their home for several years in the 2200 block of Edison Avenue during the mid-1960s.

Prior to retirement, Mr. Marth was employed as a machinist.

Survivors include a daughter, Mrs. Ella Snader of Washington, D.C.; and a niece, Mrs. Louise Sieber of St. Louis.

Funeral arrangements are given in the obituary column.

Mr. and Mrs. Richard Nichols, Collinsville, have returned from Bogota, Colombia, where they were working for the Missionary World Service Evangelism in church construction and other activities from Jan. 2 to 23.

Mr. Nichols has been associated with the Reinhardt Agency, 1933 Edison Ave., for 16 years.

The couple joined a group of 38 service crusaders in Miami, Fla. The group flew to Bogota to assist the missionaries and Colombian Christians.

The service team was composed of contractors, skilled and semi-skilled tradesmen and housewives. It consisted of residents of eight states and each paid for his own transportation and donated his time and labor.

Mr. Nichols said the group completed construction of about three-fourths of the church building.

DeMolays Attend Meet Of District Tuesday

Five DeMolays from the James Stuart chapter attended a District 4 meeting Tuesday night at Edwardsville.

It was announced that Collinsville host a district basketball tournament in March and Belleville a roller skating party.

Magistrate Joseph Kelleher spoke on law and order, and the Mothers Club served refreshments. Attending were Paul Boyer, Tom Alford, Thomas Banks, Michael Bryd, Tony Welch and advisor Charles Meyer.

Mesdames Thelma Judy, Lynne E. Hill, Audrey Laird, Ralph Gafen, Lillian Singer, Olga Garcia, Iva Harrell, Sharon Beedle, Loretta Rovaski, Melba Michelle, Pauline Bell, Shirley Gaudette, Marie Durbin and Maxine Butler.

Volunteers visiting homes will leave with the householder literature on the National Foundation program on birth defects.

March of Dimes Ball Set Saturday in GC

A benefit ball to aid the Granite City March of Dimes campaign will take place at 8 p.m. Saturday at the Veterans of Foreign Wars Hall, 2044 Washington Ave., organizers of the dance announced this week.

The public is invited and tickets, costing \$1 each, may be purchased at the door.

Music for dancing will be furnished by "Don Birks and the 3 CB's," starting at 8 p.m. Saturday, and additional variety entertainment is planned. Mrs. Dorothy Nemmer, March of Dimes special events chairman, said.

All proceeds derived from the event will be contributed to the Madison County March of Dimes Foundation. Attorney William A. Kinder is serving as ball chairman.

Auto Damage Slight

Slight damage resulted when an auto driven by Sandra J. Thurman, 1955 Joy Ave., was struck in the right rear by a car driven by Ronald D. Kee, 2059 Cleveland Blvd., at 11:45 p.m. Tuesday at 26th Street and Edison Avenue.

Bogus Bill Passed

A counterfeit \$10 bill was passed at the Tri-Mor Bowl in the last two weeks by a woman paying a bowling fee, it was reported at 12:15 p.m. Tuesday. It was turned over to Secret Service agents. The serial number of the bill was J1196810A.

Hit-and-Run Accident

The left rear of the auto of Charles T. Gammon, Caseyville, was struck by a hit-and-run driver while it was parked on the lot at Granite City Steel Co.'s blast furnace division. It was reported at 10:45 p.m. Tuesday.

Den Chief Training Meet Held

Area Boy Scouts who plan to assist den mothers train young boys at local Cub Scout meetings participated during the weekend in "Den Chief Training Conference," held at the Venice Recreation Center on Broadway.

Sponsored by the Uniwah District of the Cahokia Mound Council, Boy Scouts of America, the instruction program was presented under the leadership of District Training Officers Floyd Jordan and Fred Haldeman.

Uniwah District Chairman Leo Konzen also addressed the group, relating his remarks to the subject—"Challenges."

Different segments of the training series were conducted by Mrs. Dot Cathey, Mrs. Pat Shable, Mrs. Pat Fote, Mrs. Nadene Taylor and Mr. and Mrs. George Bushman. Mrs. Arlene Laub was in charge of registration.

The scouts received instruction on how to conduct ceremonies and learned about requirements to attain Webelos rank. They also were shown methods of presenting games, tricks and puzzle-making projects, designed to hold the interest of Cub Scout age youth.

A recognition ceremony concluded the training conference with Junior Leadership Training Certificates presented by Jordan.

Scouts awarded certificates were Jerome Ropac, Troop 22; Mark Brunsatt, Troop 15; Herman Jones, Troop 18; Terry Taylor, Stephen Smith, Robert Ward and Donald Filkins, Troop 41.

Richard Bunch, David Ramsey, Paul Ramsey and Steven Miskelley, Troop 5; Michael Elledge, Troop 5; Russell Sheppard and Doyle Elledge, Troop 19; Johnny Sands, Troop 88; Terry Harris, Troop 15; Phil Cathey, Troop 92 and Richard Fote and Brian Weiss, Troop 1.

Lake PTA Receives Cub Scout Charter

Lake school Parent Teachers Association was presented a charter from the Boy Scouts of America for operation of Cub Scout Pack 108 Monday night at a pack meeting in the school.

Edward Genna, principal of the school and institutional representative for the PTA made the presentation.

The meeting was opened with a patriotic skit titled "America." Pack Committee Chairman William Monical presented Boy Scout awards to Marvin Mills and David Buehner; Wolf award to Brad Taylor; Bear award and a gold arrow point to Brian Travis; Brad Wallace received naturalist, artist, scholar and showman awards, and John Kastelic received scientist and traveler awards.

Cubmaster Ellis Hackney presented the cubs with their 1971 membership cards. Theme of the month was "Lights in the sky" and Genna gave a talk on the universe and presented slides of constellations and planets.

On Feb. 22 the pack will hold a "Blue and Gold" banquet honoring the 62nd anniversary of the Boy Scouts of America.

Reduced Lunch Charge for Fourth of Illinois Pupils

All public and private schools in Illinois that serve Type A lunch under the National School Lunch Program have complied with new federal regulations requiring submission of free and reduced price policy statements.

Dennis M. Doyle, Midwest regional director for the U.S. Department of Agriculture's Food and Nutrition Service, has reported that local school authorities were obligated under Public Law 91-248 to establish standards of eligibility for free and reduced price lunches.

The criteria for uniform standards are based on family size, family income and number of children in school.

In addition, beginning Jan. 1, any school children from a family whose annual income is at or less than the "income poverty guidelines" prescribed by the Secretary of Agriculture must be served lunches free or at a reduced price not to exceed 20 cents.

"Previously, standards varied widely," Doyle said, "because each school determined which children were eligible to receive lunch assistance."

Schools were required to send policy statements to the Illinois state departments.

Granite City Park District families may apply for residents' identification cards at Wilson Park on link between Taylor and Moore Elledge, Feb. 6—the last time that ID cards will be issued until May, Park Supt. Harold Brown announced today.

All park ID cards issued prior to 1970 have expired and must be renewed at the present time to enable local residents to continue to participate in various activities at reduced rates, the official said.

The new ID cards are renewable every three years, unlike those previously issued, Brown said. Cost of the cards is 60 cents per person.

An overload crowd of residents applied for new identification cards during a special session held last week at the park office, Brown noted, requiring the Feb. 6 issuance session to be moved to larger quarters at the ice rink.

Daughter Born to Former Residents

Mr. and Mrs. Walter R. Slaby of Troy, former Granite Cityans, are announcing the birth of a daughter Jan. 7 at St. Joseph's Hospital in Highland. The infant, whose weight was six pounds, 15 ounces, has been named Jennifer Lynn. She has a brother, Jeffrey Thomas, 5.

Mrs. Slaby will be remembered as Arlene Nemeth, a daughter of Mrs. Kay Nemeth and the late William Nemeth of Granite City. The paternal grandparents are Mr. and Mrs. Walter Slaby of Granite City. Great-grandparents are Mrs. Clara Nemeth of Granite City and Frank Bezan Sr. of Madison.

Rites for Brother Of Mrs. Fleishman

Gravestone services were held Tuesday morning in St. Louis for Milton Lukatch, 62, of St. Louis, brother of Mrs. Leonard Fleishman of Granite City.

Mr. Lukatch died at home Monday after a long illness with cancer. He was an employee of Stix, Baer and Fuller Department Store, St. Louis, for 25 years, where he worked in the comptroller's office.

He is survived by his widow, Mrs. Carolyn Lukatch; one daughter, Miss Sydney Lukatch, at home; one son, Gary Lukatch, of Los Angeles, Calif.; one grandson and Mrs. Fleishman.

Interment was in Mount Sinai Cemetery, St. Louis.

Auto Vandalized Jerry Ritchie, 700 Madison Police Ave., Madison, told Madison he saw a man break the left window of his auto and then drive away in a white auto with no license plates at 9:35 p.m. Monday. Ritchie's auto was parked in front of his house when the vandalism occurred.

Open House Planned At Nursing School

"Spend a Day with a Student Nurse" is the theme of an open house program sponsored by the students and faculty of the St. Louis Municipal School of Nursing Feb. 15 at both campuses, 2516 Goode Ave., and 1621 Grattan St. It is announced by Miss Minnie E. T. Gore, director of the School of Nursing.

High school students who are interested in learning about nursing careers and the necessary educational background are invited to signify their interest in accompanying a student nurse to classroom and some clinical duties by writing or telephoning the school office at 1621 Grattan St., Central 1-3700, via 337. The morning session for classroom visits will begin at 10 a.m., and students will be invited to stay for luncheon. An afternoon session will be from 2 to 4:30 p.m.

Auto Windshield Shot

Gary Davis, 2830 Dale Ave., reported during the weekend that someone shot the windshield of his 1971 auto with a BB gun while it was parked in the driveway of his home.

Thurl Jones New President Of Rolling Nobles Unit

Thurl C. Jones was installed as president of the Rolling Nobles, a motorized unit of Club's retiring top executive, Jack Fricker.

Former Granite City, Mo., party, held during the weekend at the Rose Bowl restaurant. Serving as installing officer was Pontentia Charles H. Wagner of Belleville, who was assisted in the ceremony by Jack A. Demsey of Granite City, a Divan official.

James "Jim" Barton, Granite City assessor, acted as master of ceremonies. He also reviewed activities and events relating to the Rolling Nobles unit which have occurred within the past 12 months.

Other officials installed with Jones, included: Edith Phelps, vice-president; Leonard Lybarger, secretary; Jack Solberger, treasurer; Chester Desin, captain; Larry Lockhart, lieutenant; and Herbert Thurnau, parade marshal.

Jones, a probation officer with the Third Judicial Circuit Court, lives at 1800 Garfield Ave. As part of the evening's activities, he presented a Past President's "Jewel" to the club's retiring top executive, Jack Fricker.

Potentia Wagner, who assumed office earlier this month, announced plans for the 1971 Shrine Circles and Parade, noted the popular, twin fund-raising events again will take place in both Granite City and Belleville.

1970 Veteran Payments \$6 Million in County

The Veterans Administration announced that expenditures for Illinois for fiscal 1970 totaled \$412,153,207, of which \$6,600,395 was for Madison county.

John B. Naser, director of the Chicago VA office said that the bulk of the money was \$198,592,182 in disability compensation and pension payments for Illinois veterans—\$4,555,705 for Madison county veterans.

Other VA expenditures in Madison county for fiscal 1970, Naser said, were for GI Bill and other VA education programs, \$964,728; and insurance and indemnities, \$1,086,972.

Edward Branding of the Legion of Honor and Wally Holten of the director's staff.

Special guests of the Rolling Nobles witnessing the ceremony were State Representative Horace Galvo; and township supervisors, Pearl Peters, Carol Roach and Dan Churovich, a unit member.

240 at Dinner On Salvation Army Citadel

A group of 240 attended a dinner last night at Coolidge Junior High School outlining the need for a new Salvation Army Citadel. A \$100,000 capital fund drive is to be conducted in February.

Site proposals have been received this week and more are being sought. Al C. Stover of the site committee announced. Actual construction is two years away, and pledges will be based on a three-year period.

Charlotte Peters, St. Louis radio and television personality, was guest speaker, recalling past experiences with the Salvation Army.

A musical program was given by the uniformed Metro-Altes, teenage vocalists from Salvation Army corps in this region, directed by Chris Jauch.

William F. Hoelscher was master-of-ceremonies and Richard M. West, chairman of the Salvation Army advisory board, reviewed the planning of the new Citadel.

The first gift toward the \$100,000 goal was presented during the evening by the Baker Construction Co.

Trucks Collide

A Park Transportation Co. tractor-trailer driven by Manuel W. Kennison, Springfield, Ark., struck a parked tractor-trailer owned by the Yellow Freight System, Kansas City, Mo., at 1:10 a.m. Wednesday in a parking lot at 1008 State St. Minor damage to both vehicles was reported.

Man Faces Two Charges

Harry Staggis, 22, of 2006 E. 25th St., was arrested at 1:35 p.m. Monday on previous warrants charging contributing to the delinquency of a minor and driving without a license. He was taken to the Madison County Jail at Edwardsville.

Point Thrown on Car

Paul Sitten, 1413 Third St., Madison, told police at 10 p.m. Monday that vandals threw several plastic cartons of white paint over his car while it was parked in front of his home. He said the vandalism occurred between 9:30 and 10 p.m.

Parking Lot Accident

An auto driven by Beverly Horn, 2321 St. Bernard Ave., backed into the parked car of Pantelis A. Spaskos, 407 Madison Ave., Madison, on the lot of the Granite City Trust & Savings Bank at 12:30 p.m. Monday.

Nameoki Officials Back Drive to Split Levee Dist.

By VALERIE EVENDEN

Press-Record Staff Writer

A campaign to detach the Quad-City section of the East Side Levee and Sanitary District from jurisdiction of the St. Clair County-dominated levee board was initiated by Nameoki township officials Monday night.

Nameoki town board members initiated the move by authorizing Attorney Robert Hennessey to prepare petitions calling for legislative action necessary to separate the Madison and St. Clair sections of the East Side Levee District.

Nameoki Clerk Louis E. Whitwell, who sought the board's approval in preparation and circulation of the petitions, told the trustees, "I believe other municipalities will join us in this campaign."

"Officials from other communities have shown interest in discussing this proposal and I think they will cooperate in circulating the petitions and generally supporting our action," Whitwell said.

Urges Quick Action
He urged completion of the petitions as quickly as possible and referral of the documents to the state legislature at the earliest possible date.

At the suggestion of Nameoki Supervisor Harry Briggs, the petitions seeking separation of Madison and St. Clair areas of the district also stipulate that indebtedness already incurred by the district be divided proportionately, with Madison County residents repaying only funds expended for projects in the Madison County section.

"We don't want to fork out the money for everything that has been done down there in St. Clair County," Briggs commented. "A tremendous amount of money is owing for work in St. Clair County," the supervisor added.

Whitwell explained the move to separate the district was discussed at length about three months ago. He noted that officials from Venice, Madison and Granite City all made positive statements backing the proposed split.

"I believe it is up to us to take the funds was primarily responsible for the delayed report. A question arose whether the board members should approve bids in connection with a storm sewer drainage project on Route 203."

"Granite City and Nameoki Township have agreed to share jointly in the \$15,000 project," Whitwell said. "and when town ship funds are expended, I think the bids must be approved by our officials, even if the state is doing the improvement work."

New legislation which permits townships to contract for police services or create a police protection taxing district, with approval of township electors at the annual meeting, was briefly reviewed.

Linda Hall 'Fair'

Linda Hall, a daughter of Mr. and Mrs. Norman Hall of 4830 Maryville Road, remains fair condition at Cardinal Glennon Memorial Hospital, St. Louis, but she has failed to regain consciousness since she and a companion were struck by an auto in front of Maryville School Jan. 19. She is in the intensive care unit. Her companion, 7-year old Nancy Lively, daughter of Mr. and Mrs. Terry Lively, 2424 Roney Drive, was killed in the accident.

Vandalism Budget Post

State Senator Sam M. Vandal, who is in the district, was appointed Tuesday as vice-chairman of the Illinois Senate Appropriations Committee. The Edwardsville Democrat will assist Chairman Thomas G. Lyons (D, Chicago).

Quad-City taxpayers living in the East Side Levee District have been paying "about 40% of the district's overall tax bill, although only 15% of the funds are expended here."

Pocket Book Drainage
"The only drainage they provide us is drainage of our pocket books," Whitwell commented, adding, "Nameoki township taxpayers pay about \$100,000 of the levee district tax bill annually and Granite City taxpayers pay roughly \$600,000. I say the time has come to take action ourselves and start circulating petitions as soon as the attorney prepares them," Whitwell stated.

He also pointed out that Madison County is represented on the levee district board by William "Mike" Elersoldt of Venice, the only Madison County trustee. Since the death of Joseph A. Grant of Granite City in 1969, the Quad-Cities' representation has been outnumbered 2 to 1 by St. Clair County trustees.

In comments to the Press-Record in November, Granite City Mayor Donald Partney said that separation of the two counties within the levee district "is something that should have been done a long time ago." He offered full cooperation in any program to accomplish such an end.

Mayor Mike Sasyk of Madison and Mayor John E. Lee of Venice made similar statements. Mayor Lee said, "I am 100% in favor of separating the district." Mayor Sasyk said the proposal should be submitted at the next session of the state legislature.

Audit Is Late
In other action Monday night, Supervisor Briggs asked the status of the township's fiscal audit. He said a letter from State Auditor Michael Howlett to the township's audit report has not yet been filed.

Deadline for filing the audit is six months after the fiscal year ends. The township's fiscal year concludes March 30.

Whitwell said changes in the highway department's fiscal year to conform to the general tax funds was primarily responsible for the delayed report.

A question arose whether the board members should approve bids in connection with a storm sewer drainage project on Route 203.

"Granite City and Nameoki Township have agreed to share jointly in the \$15,000 project," Whitwell said. "and when town ship funds are expended, I think the bids must be approved by our officials, even if the state is doing the improvement work."

New legislation which permits townships to contract for police services or create a police protection taxing district, with approval of township electors at the annual meeting, was briefly reviewed.

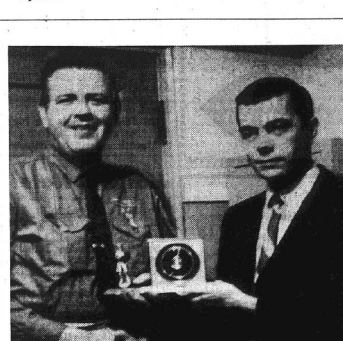

Linda Hall 'Fair'

Linda Hall, a daughter of Mr. and Mrs. Norman Hall of 4830 Maryville Road, remains fair condition at Cardinal Glennon Memorial Hospital, St. Louis, but she has failed to regain consciousness since she and a companion were struck by an auto in front of Maryville School Jan. 19. She is in the intensive care unit. Her companion, 7-year old Nancy Lively, daughter of Mr. and Mrs. Terry Lively, 2424 Roney Drive, was killed in the accident.

17 Burglaries, Thefts Occur Here This Week

Seventeen cases of burglary and theft were reported to Quad-City and Madison County authorities since Monday. Included were break-ins at two churches and two homes.

Musical Instruments and equipment valued at \$630 were stolen in a burglary of Christ Gospel Church, West 21st Street and Dewey Avenue, it was reported at 8:30 a.m. Tuesday. A basement screen and window were broken to gain entry.

Taken were an electric guitar, a bass electric guitar, tom tom drums, cymbals and stand, microphone and stand and two guitar carts.

A \$30 portable radio and an amplifier were stolen in a burglary at Grace Baptist Church, 2609 Edwards St., it was reported at 8:55 a.m. Wednesday. Entry was gained by breaking a basement window and screen to enter the boiler room. The door glass in the pastor's office also was broken.

Mrs. Bessie Baker, 1002 Logan St., Venice, told police at 4:30 p.m. Wednesday that a public aid check for \$22 had been stolen from her mailbox during the day.

House Burglary

Alfred Burton, 2713 Stratford Lane, reported to the Madison County Sheriff's Department at 8:35 p.m. that his home was looted in a burglary after 6:15 p.m. Entry was gained by breaking a basement window.

Taken were a color television set, a 12 gauge shotgun, a bolt action gun, a movie projector and assorted money and jewelry. Ruth Wallace, 2411 E. 23rd St., reported Monday that her home was entered by a burglar who pried on both the front and rear doors. Nothing was missing.

An electric saw valued at \$171 was stolen from the workmen of the Dennis Brick Restoration Co. working at the Venice-Lincoln Technical Center in Venice about 3 p.m. Wednesday. The saw was owned by Jim Pagon, 2536 Edwards St.

The men said they were working in the hall of the school and stepped into the gymnasium between classes while the students were in the hall. When they returned the saw was missing.

Ralph Cox, East Alton, reported at 3:35 p.m. Monday that a citizen's band radio valued at \$40 and a 22 caliber rifle valued at \$75 were stolen from his camper truck parked in Granite City.

Annie Shepard, 1852 Poplar St., reported at 1:40 p.m. Monday that \$75 was lost or stolen from her purse during the previous few days.

1968 Auto Stolen
A green 1968 two-door auto was stolen from the home of Jo Hem, 1240 Twenty-second St., after midnight, it was reported at 6:40 p.m. Tuesday. It was found by police at 3:20 p.m. Wednesday in the 2400 block of Illinois Ave.

Betty Middleton, 2164 Orville Ave., reported at 9 p.m. Tuesday that her beige 1967 foreign compact car was stolen from the parking lot at the Tri-Motor Bowl.

Carl Kolbrenner, 2845 Ralph St., reported at 11:30 p.m. Tuesday that his 1968 two-door foreign compact car was stolen from the lot at National Food Store, 3100 Madison Ave., after 5 p.m.

Parked Auto Struck
The auto of Gene M. Howard, 2049 Marshall Ave., parked at his home, was struck by a car driven by Clarence O. Moore, 2009 Sunset Drive, at 10:25 p.m. Wednesday. Moore was charged with leaving the scene of an accident.

Saunders Assumes Duties On Airport Authority

Arvin H. Saunders, executive director of the St. Louis Metropolitan Authority, officially assumed his new duties yesterday afternoon at the authority's regular meeting in the Sunset Hills Holiday Inn.

"I am very glad this day has arrived and we are here," he said. The family has purchased a home near Edwardsville and moved in this week.

"I think we have a most exciting prospect here, creating an airport for the St. Louis area, and I hope it will become ever more exciting as the arrival of the airport draws closer," he told members of the board.

Saunders said one of his major tasks in the next few

months will be to keep in touch with developments in aviation and report to the board on items of importance.

The meeting was conducted by Howard W. Kaseberg of Granite City in the absence of Robert B. Lamkin, chairman, who has been vacationing. "I expect Mr. Lamkin will be back with us for the next meeting Feb. 24," he said.

Autos Collide

The autos of James Demson, Rural Route One, Box 393, Granite City, and Luther F. Ray, 2023 Sreen St., Madison, collided in the 2000 block of Edwardsville Road in Madison at 6:25 p.m. Wednesday.

Army Nurse Training Offered in Program

The United States Army is offering qualified young men and women an opportunity to prepare for a professional nursing career through the Walter Reed Army Institute of Nursing (WRAIN) program.

"If their application is accepted," said the local Army recruiter, "nearly all educational expenses are met by the Army for four years. In addition, they receive the pay and allowances of an E-3 (PFC) but do not have to attend any military training."

Prerequisites include high class standing in high school and satisfactory performance on the College Entrance Examination Board or the American College Test.

The first two years are spent in an accredited four-year college or university of their choosing. There they take general educational and pre-professional courses. The Army pays tuition and fees to the college. The student receives monthly pay allowances for his or her room, board and personal expenses.

The candidates then enroll for the last two years in the University of Maryland's School of Nursing. The Walter Reed Army Medical Center provides clinical nursing and other educational experiences. Upon graduation and successful completion of a state licensure examination in professional nursing, the candidate is commissioned a first lieutenant in the United States Army. The obligation for service is three years.

Established in 1961, the Army Nurse Corps is the oldest of all the military services for women. The all-officer corps now consists of male and female registered professional nurses and has since 1956.

Nearly 5,000 Army nurses are carrying on the heritage to serve the soldier and his family when and where most needed. Persons interested may contact the local Army Recruiting office.

Mark Twain Summer Program Announced

Mark Twain Summer Institute catalogues and student application blanks for the 1971 session are being sent to all senior and junior high school principals in the metropolitan area.

Academically able and talented boys and girls in grades 9 through 12 are offered courses in English, fine arts, foreign languages, mathematics, science and space physics and social sciences.

The session will run from June 21 through July 30. Most of the classes will be held at Clayton High School and a couple at Washington University. A rapid reading course will be offered in the afternoon on a voluntary basis.

Tuition will be \$78, and students will take only one course. Tuition aid will be available to the students who need it. The deadline for applications is March 3.

Youth Garden Planned At Holten State Park

A year-round "Youth Garden" program will be conducted by the Illinois Department of Conservation at Frank Holten State Park, East St. Louis, beginning in March or April.

The project is the first of its kind in the state, according to H. Dean Campbell, head of the department's interpretation-recreation section.

Campbell said nearly 400 children between 8 and 12 years of age will be given an opportunity to grow vegetables, flowers, trees or shrubs on a one-acre tract in the park.

Produce and experiences of the summer season will be utilized in a fall and winter program of conservation, crafts, nature and local history studies.

Campbell said the program is designed primarily to "help urban youngsters reestablish and understand their relationship to the natural world around them."

Junior Achievement to Launch 1971 Campaign

R. R. Shockley, vice-president of Southwestern Bell Telephone Co., will preside at the Kick-off Breakfast for the Junior Achievement of Mississippi Valley Fund Drive Monday.

Shockley is chairman of the campaign which will run for six weeks from Feb. 1 to March 12. This is his second year to head the J.A. drive. Shockley has been a member of the Junior Achievement board of directors since 1963 and was president from 1965 to 1967.

The Kick-off Breakfast will be held at Musial & Biggies Restaurant from 7:45 to 9:30 a.m. on Monday, March 20. St. Louis business executives who will be working on the drive are expected to attend. A goal of \$30,000 has been set.

'Shotgun Express' to Play at Teen Town

"Shotgun Express" will return to the YMCA Teen Town to play for the weekly dance Saturday night.

Formerly known as "Roku," the group has added two new musicians to provide a bigger and better sound. The dance will be from 8:30 to 11:30 p.m. with regular admission being charged.

"Jake Jones" is booked for Feb. 6, and "J. Champagne" is scheduled to play Feb. 13.

Music Festival Opens Today at Eastern

A five-day program featuring Dr. Halsey Stevens, professor of music at the University of Southern California and a widely known composer, will highlight the bi-annual Festival of Contemporary Music today to Monday at Eastern Illinois University.

Sponsored by Eastern's School of Music, the festival will include performances of current works of noted composers, students and faculty members, a Moog concert, and a lecture on the music of composer Bela Bartok by Dr. Stevens.

Chamber Hires Wisconsin Man, Edward Kellogg

Edward B. Kellogg, 37, of Fond du Lac, Wis., was hired by the board yesterday as executive manager of the Chamber of Commerce of the Fond du Lac area. He will succeed Howard Colquhoun, who has been similar duties in Tempe, Ariz. Kellogg from 1959 to 1963 was executive assistant manager of the Twin-Cities Area Chamber, St. Joseph-Benton Harbor, Mich., and since then has been executive vice-president and a general manager of the Fond du Lac Area Association of Commerce and Credit Bureau.

Married and the father of two children, he has been active in such groups as the Boy Scouts, Rotary, American Industrial Development Council, American Retail Executives Association and American Management Association. He was an Army personnel specialist with the Adjutant General's Corp from 1956 to 1958.

Kellogg holds a bachelor degree with majors in economics and a business administration from Hope College in Michigan and a master degree in business administration, with emphasis on marketing, personnel and general management, from Michigan State University.

He served as a teacher and guidance counselor in 1959-60 at a Benton Harbor junior high school and was assistant director and an instructor at the Michigan State U. Continuing Education Center, Benton Harbor, in 1962-63.

Kellogg attended the U. S. Chamber of Commerce Management Institute annually from 1959 to 1968 and was an instructor there for five years.

Few Courses Still Open At Venice Adult Center

About 30 new adult students reported Tuesday evening for the second semester of night classes at Venice-Adams Technical Center and an equivalent number is expected to enroll in courses starting this evening, Duane Rankin, administrator of the adult training center, said today.

"The Data Processing course, a full enrollment, typing and shorthand classes are 90% full and pre-registration of students for the Family Living course, to begin tonight, indicates this class also will have more than sufficient enrollees," Rankin said.

The administrator said a limit

of 20 students will be accepted for inclusion in the Basic and General Education Development preparation courses, which includes language arts, social studies and mathematics. New students still can register for the Home Maintenance and Repair course in which participants may learn such diverse projects as construction of a toolshed, in sections, to cabinet-making, plumbing, electrical work and general repairs.

Women also may enroll in home maintenance classes, conducted Tuesday evenings, and learn how to accomplish minor repair jobs around the house, Rankin pointed out.

Nameoki Deadline for Filing 9 p.m. Monday

Candidates for the post of Nameoki Township supervisors have until 9 p.m. Monday to file with Town Clerk Louis E. Whittell, the township officer informed the board of auditors Monday night.

The announcement was made by Whittell in reply to an inquiry by Supervisor Harry Briggs, who questioned Whittell's availability to accept petitions.

"You can get a petition or file one with me any evening through Monday . . . at any time," Whittell commented adding, "as long as it's not around 11 p.m. or midnight Monday."

He later set the closing hour at 9 p.m. Whittell is the only candidate to file for the supervisor's post thus far, Briggs said he has not yet decided whether he will seek re-election to the supervisor's post.

Concert Set Friday By SIU-SW Students

A concert featuring compositions by seven music majors at Southern Illinois University, Southwestern will be presented at 8:15 p.m. Friday in Lovejoy auditorium. The public is invited, admission free. The program will open with Instrumental Prelude by Herbert Smith of Scott Air Force Base, written for flute, clarinet, bassoon, cello and piano.

RETIREMENT GIFT, a \$75 check, presented to Roscoe Martin, center, by Mike Devine, president of the Police Social Club, as Mike Ridge, club secretary treasurer, looks on. Martin is retiring from the Granite City Police Department after serving more than 20 years.

Bill Creating MORE ABOUT

district-wide basis. Because of political considerations, it was customary for the St. Clair county political organizations to elect at least one member from the Quad-City area.

In the early 1960s, legislation was adopted providing that the levee board should include at least two board members from whichever sector of the district that had the lowest property valuation. Down through the years Madison county has had the lesser portion of valuation. Within the last three years the Quad-City area has developed property assessments carrying 46% of the district's total value of \$536 million reported in 1969.

As a result, Madison county has been outvoted by a 3 to 2 margin on the levee board. In early 1969, Granite City trustee Joseph Grant died, leaving William "Mike" Ebersoldt as the only Madison county representation on the levee board.

Representative Calvo said yesterday that he has no information now as to when the bill will be completed by the Legislative Reference Bureau, a branch of the General Assembly that prepares all legislative acts.

As soon as it is ready, I will introduce it in the House," Calvo said.

He said he had conferred at length with "legal experts" and had done considerable research in the matter.

Exploits No Problems

"I contemplate no legal problems in setting up a separate district," he explained. "The present district, in a d d up of parts of both counties was created by legislation and I am certain there is nothing that will prevent us from creating a new district within the old district."

He said that taxpayers of the Quad-City portion of the district will have to assume outstanding debts as they now exist, under the same ratio of payment as is now being made. He emphasized, however, that Madison county residents would be no longer responsible for any debt incurred in the St. Clair county district.

The proposed legislative measure will provide for a three-man board of trustees to administer the newly created levee district in the Quad-City area. Tax extensions would be guided by Illinois statutes covering operation of sanitary districts generally, Calvo noted.

Martin Retires As Policeman On GC Force

The retirement of Patrolman Roscoe Martin from the Granite City Police Department will take effect Friday. It was announced by Police Chief Ronald Veizer.

Martin, 49, has been on the force more than 20 years, joining it on Jan. 16, 1951. He previously served two years with the Nameoki Police Department.

He received a number of commendations, including two for action on Dec. 11, 1960, and last June 1967.

In the earlier case Martin checked a parked auto in the 1200 block of 22nd St. which led to the recovery of property stolen in a burglary at Gum's Cleaners.

Last summer, while on night patrol downtown, he heard a noise at the rear of Hub Drug Store, called for assistance and then apprehended two men on top of a building and a third nearby. The received prison terms.

Prior to his retirement, Martin was presented a \$1,000 check from the Granite City Police Health and Welfare Fund Local 1347 by Robert Asadorian, local president, a check for \$75 from the Police Social Club by Mike Devine, president, and some shirts from the staff.

Martin recently held an open house for members of the department. He was known among his fellow officers for his humor and keen memory of names and license numbers which was useful to other officers.

He intends to follow his hobbies of hunting, fishing, golfing and camping. He and his wife Evangeline reside at 2720 Bustard Ave. They have a son, Ronald, who lives in Richmond, Ind., with his wife and their child.

Vandals Damage Auto

Mike Murphy, 2617 Washington Ave., reported at 4:05 p.m. Sunday that someone broke into his auto and removed two sun visors and the buttons and knobs from the radio and cut the arm rest cover while it was parked on the lot at the Red Barn Restaurant. The left wing window was broken.

Madison Has Low Drop-Out Rate

Madison has far less than the national "drop-out" average, Assistant Superintendent of Schools Wade James told the Madison Rotary Club at its noon meeting Wednesday in the Madison Recreation Center, Seventh and Lee Streets, Madison.

Last year we had 37 of approximately 700 students drop out of high school, and of the 133 seniors that graduated 63 are in college or university," James said.

James reviewed the progress and some future plans of the Madison school district. Twenty-six Rotarians and guests attended the meeting.

Hy Ruffman, director of the Jewish Federation for Southern Illinois who returned this week from a trip to Israel, will be the speaker at next Wednesday's meeting.

Special Education Director Is Speaker

Mrs. Elvira Kuergeles, director of Special Education, Region One, Madison County, was guest speaker Monday evening at a meeting of the Granite City Association for Retarded held at St. John United Church of Christ.

The speaker reported on the progress of the school system and present education, and discussed plans for expansion and other improvements. A question and answer period followed the talk and the director requested the cooperation of the parents.

Also discussed at the meeting was a television program 'be shown on Channel 5 Sunday from 12:30 until 1 o'clock, entitled "No Muscle But Love."

Mrs. Hazel Kynion, president, was in charge at Monday's meeting.

Ainad Provost Guard Installation Held

The Ainad Temple Provost Guard installation ceremony was held last night in the Civil Defense Building here.

The installing officer was Jack Dempsey, director, and Richard Ervay, marshal, both members of the Divan.

The officers are Ron Snelson, president; Dave Wright, vice-president; Louis Spahr, secretary-treasurer; Tom Burns, captain; Bob Leroy, First Lieut.; Tom Hundley, Second Lieut.; Carl Peters, Staff Sergeant; and Charles McConnell, Sergeant.

Mrs. Melvin Kitcham of Effingham, Ill., formerly of Granite City, and John Belgeri of Albany, Ga., are announcing the engagement of their daughter, Miss Dottie Belgeri, to George Myers, a son of Mr. and Mrs. Carl E. Myers Sr., of Effingham.

Among those present were Mr. and Mrs. Don Vaughn and daughter Michelle, of St. Louis; Mr. and Mrs. Bob Neely and Mrs. Mary Vaughn of Glenwood Estates, St. Louis County; Mr. and Mrs. Don Tite and daughter Dana of East Alton, and the following local people: Mr. and Mrs. Lantz Phillips, Mr. and Mrs. Buddy Mang and children Tommy, Ronnie and Sharon, and Larry and Terry Mang.

The wedding is scheduled for March 20.

Golden Age Club Opens New Year At Meeting; Committees Named

Kirkpatrick Homes Golden Age Club held the first business meeting of 1971 Tuesday in the recreation hall with 40 members attending.

Lee McClew, president, opened the meeting with prayer and the pledge to the flag. The secretaries, Mrs. Grace Padlock and Mrs. Ruby Corbitt, and Mrs. Peggy Gibbons, treasurer, gave their reports and plans were made for the next pot luck dinner at noon Feb. 9.

A poem entitled "Which Are You?" was read by the president, and Mrs. Naomi Rongey was appointed chaplain. Committees named were Mr. and Mrs. Robert Harrell and Mr. and Mrs. Jack Traylor, entertainers; Mrs. Minnie Kusch, Mrs. Katherine Moser and Mr. and Mrs. Bruce Teaney, dining room; Mrs. Caroline Lux, prizes; Mrs. Clara Earmey, kitchen; R. B. Davis, carver of meats; Mrs. Eva Durham, dessert; and Mrs. Ruth Parkey, receptionist.

After adjourning, those having birthdays during the month were honored. They were Mrs. Emma Goble, Mrs. Caroline Weber, and Mrs. Katie Penner.

Games were enjoyed after the business hour and prizes were won by Mrs. Georgia Butler, Mrs. Ida Cassell, Mrs. Caroline Weber, and Mrs. Pearl Griffin. Mrs. Earmey received the attendance award.

Miss Crawford Shower Honoree

Miss Nina Crawford was showered at a miscellaneous bridal shower in the home of her grandmother, Mrs. Myron Goble, 2523 Edwards St. Miss Janet Crawford, a sister of the bride-to-be, was co-hostess.

Miss Crawford, a daughter of Mr. and Mrs. Herschel Crawford, 2529 Angela Drive, is to be married Feb. 14 to Michael Bradford, a son of Mr. and Mrs. Curtis Bradford, 3027 Warren Ave.

In keeping with the wedding date a Valentine theme was used in the appointments which carried out a red and white color scheme.

After the gift packages were opened refreshments were served to Mrs. Bradford, mother of the prospective bridegroom, Mrs. Lillian Crawford, Mrs. Norma Diak, Misses Dottie and Jeannie Diak, Mrs. Millie Chandler, Mrs. Dortha Dorch, Mrs. Nancy Roes, Mrs. Norma Huniok, Mrs. Sandy Hill, Mrs. Beverly Jones and daughter Kim of Pinckneyville, Ill., Mrs. Pat Huniok and daughter Judy, Mrs. Augusta Lampe, Mrs. Jo Ross, Mrs. Helen Santagato and the honoree.

HOSPITAL AUXILIARY ANNOUNCES COMMITTEES

The January meeting of St. Elizabeth Hospital Auxiliary was held Monday evening in the library of the hospital.

Mrs. Mary Kristian, serving her second year as president, was in charge. During the business session chairmen of the various committees were appointed and plans were made for events to take place during the coming season.

After adjourning refreshments were served to 18 members of the Auxiliary.

Teen-Age Republicans Meet

The Stars, sub-teenage Republicans, held a meeting during the weekend in the home of their adviser, Mrs. Vernice Wortman, on Washington Avenue.

Danna Depew, president, called the meeting to order and Tammie Dewey led the pledge to the flag and after the secretary's report by Cheryl Brinkley and the roll call, a guest, Linda Finley was introduced and invited to join the club. Boys and girls from 9-13 interested in government are welcome at the meetings.

The program consisted of a discussion on the topic "What is a Constitution and Why Do We (Illinois) Have a New One." Also discussed were the elections to be held this year. The topic of local elections will be discussed in March.

GOP WOMEN PLAN SMORGASORD DINNER

The January meeting of the Granite City Republican Women's Club was held Monday evening in the home of the president, Mrs. Verne Wortman, 2460 Washington Ave.

Plans were formulated for a smorgasord dinner and Mrs. Edna Kohlbrecher was named dinner chairman. Those on her committee will be Mrs. Gladys Newnan and Mrs. Mattie Shackelford. Named to the awards committee were Mrs. Maxine Grissman, chairman, Mrs. Mary Nemeth and Mrs. Wortman. Mrs. Darlene Bayer and Mrs. Ruth Lucas will be in charge of decorations. The dinner date will be announced later.

A special guest at the meeting was John Mangiaracino, who is circulating petitions for the special Levee Board election.

The club's next meeting will be held Feb. 11 at the Wortman home.

Knights of Pythias, Pythian Sisters Hold Installation

A joint installation of officers of Cascade Lodge 602, Knights of Pythias, and Cascade Temple 218, Pythian Sisters, was held this week at the K. P. Hall on Cleveland Blvd.

Olivia Lehman, past Grand Chief of Illinois, was unable to attend the ceremony, due to illness in her family, was replaced by Past Grand Chief Viola Frech of Lezenburg, Ill., present District Deputy, who served as installing officer for the Temple.

Past Grand Chief Selma Vogt of East St. Louis, served as Grand Senior, and Neil Hutchison of Cascade Temple served as Grand Manager.

The officers installed by the Pythian Sisters were Leola Arbogast, Most Excellent Chief; Martha Montague, Senior; Linda Schillingman, Junior; Fern Eggleman, Manager; Neil Hutchison, Secretary; Olivia Lehman, Treasurer; Jeanette Fancher, Protector; Clara Hensley, Guard; Ella McKittick, Past

ST. ELIZABETH ALTAR SOCIETY INSTALLATION

Installation of officers was held at the Tuesday evening meeting of the St. Elizabeth Catholic Church Altar Society. A large crowd was present for the ceremony, conducted by the retiring officers: Mrs. Marie Plantier, president; Mrs. Joan Chibbe, vice-president; Mrs. Margaret De Runtz, secretary; and Mrs. Irene Peeler, treasurer.

New officers installed were: president, Mrs. Joan Chibbe; vice-president, Mrs. Carol Tritsch; secretary, Mrs. Kathy Moore; and treasurer, Mrs. Sue Kurilla. Each was presented with a carnation corsage. Mrs. Chibbe presented the retiring president with a gift.

Committee chairman for the year are Mrs. Carol Tritsch, ways and means; Mrs. Loretta Krekovich, program; Mrs. Lana Maycock and Mrs. Carol Keeler, school liaison; Mrs. Mary North and Mrs. Ann Pare, kitchen; Mrs. Rose Hilker, dining room; Mrs. Jean Schwarzkopf, publicity; Mrs. Carol Hill, telephone; Mrs. Martha Kozusek, handicraft; Mrs. Grace Range, sick committee; and Mrs. Jean Beatty, spiritual.

A religious retreat for women of the church is planned for March at the Convent in St. Louis. Mrs. Beatty is in charge of reservations.

Room six won attendance honors and the evening's prize was awarded to Mrs. Beatty. The meeting closed with prayer led by Sister Lucia, principal, and will also serve as celebrant and preacher at the 11 a.m. Mass.

Further information regarding the services and luncheon-meeting may be had by calling 876-7245 or 876-9087.

Presbyterian Women Meet

More than 60 persons attended the guest night meeting of the United Presbyterian Women of First United Presbyterian Church Tuesday evening.

Refreshments were served by Circle Five, Mrs. Virginia Rickert, chairman. Representatives were present from the UPW of Mitchell, Nankook and Madison Presbyterian churches, as well as other local church women.

The highlight of the evening was a most interesting talk by Roger Hunter of radio station WRTN on "The Golden Age of Radio," with excerpts from many old shows popular before the arrival of television. The Year Book of Prayer service was conducted by Mrs. Dee Roberts.

RECENT BRIDE, Mrs. Robert J. Butler, the former Linda Fears, whose wedding took place at St. Elizabeth Catholic Church.

Miss Linda May Fears Weds Robert J. Butler

The wedding of Miss Linda May Fears and Robert James Butler took place Saturday at St. Elizabeth Catholic Church with the Rev. Lawrence Mattingly officiating at the 2 p.m. ceremony.

The bride is a daughter of Mr. and Mrs. Floyd Fears, 2826 Nankook St., and the groom's parents are Mr. and Mrs. Robert E. Butler of St. Louis. An arrangement of large white and yellow mums and gladioli decorated the altar and white bows marked the family pews.

The bride's gown of pale ivory satin and sateau was trimmed with white lace trim and a matching veil. She carried cascade bouquets of yellow and white mums.

Anastasia Pesselato, a niece of the bride, and Victor Fears, a nephew, served as flower girl and ring bearer. The former wore a dress of pale blue velvet with white lace trim and a matching veil. The latter carried a bouquet of yellow and white mums.

Alvin Guthrie, an uncle of the bridegroom, was best man and groomsmen and ushers included Michael and Steven Fears, brothers of the bride, Keith Fears, another brother, and Sam and Jim Brawley, the bride's cousins.

For her daughter's wedding Miss Fears chose a turquoise suit dress, while the bridegroom's mother appeared in a shocking pink crepe. Both wore matching accessories and corsages of deep red roses.

The wedding reception was held at the Tru-Mor Room. Approximately 125 guests were present. Mrs. Samuel Brawley, Mrs. Ralph Brawley, Mrs. Rita Brawley and Mrs. Norman Lochr, aunts of the bride, assisted.

The former Miss Fears, a 1967 graduate of the Granite City High School, is employed by a St. Louis bank. The bridegroom graduated from Mercy High School in University City, and United Electronics School in Louisville, Ky. He is now serving with the Navy and is at the U. S. Naval Station at Great Lakes.

The rehearsal dinner was given by the bridegroom's parents. The next meeting will be with Mrs. Virginia Carroll. A circle of prayer closed Tuesday's meeting. Present, besides those mentioned, were Mrs. Jane Patton, Mrs. Luan Briner, Mrs. Alma Cowan, Miss Jane Elkins, and Mrs. Marsha Watson.

Niedringhaus PTA Has Meet

The Niedringhaus School PTA met Tuesday evening at the school.

Dens 1 and 3, Cub Pack 12, presented the colors. The opening prayer was offered by the Rev. Roy Baugh, pastor of Niedringhaus United Methodist Church.

The program for the evening was given by George T. Wilkins Sr., of SIU-SW, who reminisced on "Forty-eight Years in Education."

Ted Macios, president, called the meeting to order and appointed a nominating committee consisting of Mrs. Lucy Hunnicutt, Mrs. Joan Dix and Mrs. Delores Clonio. Their report will be submitted at the next meeting.

Mrs. Yvonne Robertson is to serve as chairman of the annual "All you can eat" chili supper Tuesday, Feb. 23, from 4 until 7:30 p.m. Children's tickets for those under 12 will be 50c, and adults will be \$1. There also will be carry outs available.

Attendance prizes at the meeting went to the rooms of Mrs. Elizabeth Edwards and Mrs. Lorraine Reiske.

Refreshments were served by the fourth grade room mothers.

WHITTE BY WHITTE CORONATION FEB. 13

The Whittle By Whittle Club of Take Off Pounds Sensibly crowned Mrs. Deborah Seal as its queen Monday evening at the East Side Levee of in Granite City. Mrs. Pat Peis, club leader, opened the meeting by leading the pledge to the flag and the club pledge and Mrs. Shirley Sobolewski and Miss Ruth Stever were in charge of recording duties.

Guests introduced included Mrs. Peis, Mrs. Broyles, and Zelma registered as a new member.

Mrs. Seal received a crown and a fruit basket, and a song was sung by fellow members. Other January queens have included Mrs. Norma Ruhl and Mrs. Phyllis Bonner. Mrs. Virginia Coter is the last "queen of the month."

Mrs. Marilyn Sutherland chose a gift from the "wishing well."

A letter was read from Mrs. Peggy Hackney, area captain, thanking the club for its hospitality last week, when she and her husband, Ellis, visited to display the first-place trophy for club banners. The club in McCluskey, Ill., received the award.

Also read was correspondence from Mrs. Crystal Grate, state captain, requesting assistance with the spring "Area Recognition Day."

Announcement was made that three members are presently hospitalized—Mrs. Virginia Coter, at Bellevue Memorial, and Mrs. Sharon Bridick and Mrs. Datha Elly, both at St. Elizabeth Hospital, Granite City. Mrs. Macie Hoelter is recuperating at her home.

Mrs. Sutherland led prayer to close the meeting. Others present were Mesdames Phyllis Barton, Gloria Bennett, Carmen Bricker, Rosalie Bronnauer, Jane Boyer, Judy Fry, Evelyn Isaac, Elsie Mathenia, Linda Miles, Rose Yates, Delores Townsend, Betty Young, Nancy Walsh, Mary Jane Sanders, Sarah Shemwell, Iris Gauen, Mary Jo Akerman, Frances Fulkerson, Louise Curtis, Lillian Jones, and Mary Craig and Misses Jo Ann Snel, Denise Broyles, Christy Fry.

Additional plans have been completed for the annual coronation banquet to be held Saturday, Feb. 13, at the Venice Recreation Center. Reservations are to be made with Mrs. Rosalee Bronnauer.

Mrs. Evelyn Isaac is in charge of designing and making new royal robes for the coronation ceremonies. A new weight contest has been started.

"Happy Birthday" has been sung in January to Mesdames Sharon Bridick, Jo Gipson, Diana Ragadale, Virginia Coter, Judy Modrusic, Jane Boyer, Mary Jo Akerman and Thelma Pryor.

'GUIDING STAR' PLAY AT PACK EIGHT MEETING

Cub Pack Eight held its January meeting and program at the First Presbyterian Church Monday evening. Webelos Den One led by Mrs. Alberta Buhmann, conducted the opening ceremony, including the pledge of allegiance and cub promise. Roll call was conducted by Den Two, whose den mother is Mrs. Lois Warren, and slides of a trip to Springfield for the Lincoln Pilgrimage and of a Camp Sunnen outing at Potomac, were shown by Cubmaster David Warren.

Mrs. Sandy Ebling's Den One enacted a play entitled "A Guiding Star," each boy explaining the constellations as he uncovered stars painted on a poster board. Webelos Den One gave a demonstration of its work to earn the artist badge.

Warren gave a treasury report and Committeeman James Woodson made announcements of coming events. The blue and gold banquet has been set for 8:30 p.m. Feb. 22 at the church. Explorer Post Six will entertain with Indian dances. Scout Sunday will be observed Feb. 7 and the scouts are to attend Sunday school and church in uniform.

Awards were presented by Warren to Nick Regas, helmsman; Jeff Warren, two silver arrows; Webelos Bryan Warren and Wally DeShon artist awards; and Brian Pemble, artist and athlete. The cubby award was won by Den One and a yellow ribbon was presented to Mrs. Buhmann's den for winning the cubby award for three consecutive months.

The program closed with Den Two giving a reading on the constellations.

Hairdressers Attend Meet

Members of the Elite Hairdressers Association from this area have returned from Peoria, Ill., where they attended the showing of spring hair fashions at the Pere Marquette Hotel this week.

The two-day seminar featured a showing of new hair fashions by the official Hair Fashion Committee of the National Hairdressers Association.

The close harmony of clothing and hair fashions, as well as professional hair shaping, coloring, makeup and extensive use of hair pieces were taught in class lessons for the total look to turn thoughts to spring.

Other highlights were the crowning of the National Beauty Salon Week Queen of Illinois, with entries from throughout the state. Those competing for the honor had competed and won in local contests prior to this event.

Those from this area attending were Miss Joanne Prevett, president of association, Mrs. Margaret Barzoff, Mrs. Rosalia Jenkins, Mrs. Judy Broshorn, and Mrs. Dorothy Line. Mrs. Line and Miss Prevett also attended a participating workshop of IHFC, the hairstyling educational committee for Illinois. Both are IHFC.

MCINTIRES OBSERVE GOLDEN ANNIVERSARY
The 50th wedding anniversary of Mr. and Mrs. Vern McIntire and the 67th birthday of Mrs. McIntire were celebrated Sunday with a small party at the couple's home, 1433 Third St. Relatives and friends congratulated the couple.

The McIntires have resided in the Quad-City area for the last 50 years. They were married in Belleville Jan. 26, 1921. B. B. McIntire was the only attendant.

Mr. McIntire retired from the Baltimore & Ohio Railroad after 44 years there.

They have a son, Earl, and a daughter, Mrs. Jean Hall, both residing in Madison. They also have five grandchildren, five step-grandchildren and two step-great-grandchildren.

Out-of-town guests included Mr. and Mrs. John Harland and son, Johnny, of Warrenton,

Mo., Mr. and Mrs. Odell Rice, Mr. and Mrs. Dennis Rice and son, Ricky, Mr. and Mrs. Melvin Decker and Sam McIntire, all of St. Ann, Mo. Those present from Madison were Mr. and Mrs. Charles Hall and children, Chuck, Becky, Bobbie and Rosann, Philip Abernathy, Joe Votoupal and Rosalie, Janet and Frankie Gordon.

With
Evangelist Al Ragsdale
Of West Memphis, Arkansas

Beginning
Sunday, January 31—7:30 p.m.

Rev. Ragsdale is a well known Gospel Singer, Composer and Recording Artist. He is remembered in this area by fruitful revival work in the past.

THE PUBLIC IS INVITED
C. M. O'GUIN, Pastor

MR. AND MRS. ROBERT STRACK. Their wedding took place at St. Margaret Mary Catholic Church. The bride is the former Kathleen Faber of Morton Grove, Ill.

ENGAGED. Miss Kathleen Pace, whose betrothal to Walter E. Goff is announced today.

Kathleen Pace Engagement

Mr. and Mrs. Alfred O. Pace, 1239 Klein St., Venice, have announced the engagement of their daughter, Miss Kathleen Pace, to Walter Edward Goff, the son of Mr. and Mrs. Charles J. Goff, 1712 Fourth St., Madison.

Miss Pace is a graduate of Venice High School and presently is a senior at St. Joseph Hospital School of Nursing, Alton.

Mr. Goff is a graduate of Assumption High School and is currently a junior at St. Louis University, majoring in accounting.

Wedding plans are indefinite.

'LOVE' SUBJECT OF LESSON-SERMON

What it means to be a neighbor will be explored Sunday at Christian Science church services.

The parable of the Good Samaritan will be included in the Bible readings. "Love" is the subject of the lesson-sermon.

The Golden Text is from Romans: "Love worketh no ill to his neighbor; therefore love is the fulfilling of the law." Services are held at 10:45 a.m. each Sunday at First Church of Christ, Scientist.

Barbara Windsor Is Married

Mr. and Mrs. Clarence B. Windsor, 109 Holiday Park, are announcing the marriage of their daughter, Miss Barbara Jean Windsor, to Ronald C. Legate, a son of Mr. Myron Powell of Rural Route One.

The civil ceremony took place last week in St. Charles, Mo., and the bridegroom, who has been employed by the Granite City Steel Co., left today for training with the U. S. Army.

His bride will remain with her parents here for the present. Both young people are graduates of the Granite City High School. Their engagement was announced recently in the Press-Record. The former Miss Windsor is employed in St. Louis.

GOLDEN WEDDING. Mr. and Mrs. Paul Donley, 2226 Adams St., who observed the 50th anniversary of their marriage this week at a dinner party given by their family.

Paul Donleys Observe 50th Wedding Year

Mr. and Mrs. Paul Donley, 2226 Adams Street, residents of Granite City for many years, observed their golden wedding anniversary this week at a dinner party given by their immediate family at the Rose Bowl.

Mr. and Mrs. Donley were married Jan. 21, 1921 in Granite City and have lived here since that time. Before retiring in 1965 he was employed by General Steel Industries, Inc., for 45 years.

The couple has four daughters, Mrs. George (Pauline) Valicoff, and Mrs. Donald (Betty) Harmon of this city, Mrs. Julian (Dorothy) Delaney, San Diego, Calif., and Mrs. Jerry (Mildred) Kambarian of Canoga Park, Calif., all of whom were here for a reunion after 22 years, 10 grandchildren and eight great-grandchildren. The party was arranged by the daughters.

Mr. and Mrs. Donley are members of First Baptist Church.

Lutheran Missionary to Speak At Services Here on Sunday

The Rev. Leonard Stahlke, a missionary of the Lutheran Church to Guatemala, will speak Sunday at the morning worship services at 8 and 10:30 a.m. Missionary Stahlke also will present a slide lecture to the congregation from 9:15 to 10:15 a.m. in the basement of Hope Lutheran Church, 3715 Wabash Ave.

Rev. Stahlke, a native of Humboldt, Saskatchewan, attended Lutheran schools in Minnesota, Concordia High School and College in St. Paul, and entered Concordia Seminary, St. Louis, in 1953. His vicarage was spent in El Salvador in 1956-57. At the time of his graduation in 1958 he accepted a call to serve as a missionary in Guatemala, arriving on the field in September of that year. While in Guatemala Pastor Stahlke served as pastor-missionary at Christ the King church, Guatemala City; as a missionary in the area of Zacapa; interim pastor of the Good Shepherd Church, Mexico City; and did survey work in Guatemala for the Council of Lutheran Churches in Central America and Panama, and presently is pastor-missionary at Quetzaltenango, Guatemala.

At different times the pastor served as president of the Council for the Central American area of Lutheran work as secretary until 1970. He was

REV. LEONARD STAHLKE
Missionary

president of the Council of Lutheran Churches in Guatemala from 1966-70. He served on the Editorial Committee of Noticiero De La Fe, Lutheran magazine for Spanish speaking countries from 1965-70, and also was an administrative officer of the Inter-American School, Quetzaltenango, Guatemala. (An independent Christian school, it serves largely missionary families of Protestant denominations in the area.) Members of the community are invited to attend the services.

CHILD CARE CENTER HOSTS MUSIC WORKSHOP

The Happy Day Child Care Center at First Assembly of God Church was host at a musical workshop for workers of the Metro-East Child Care Association during the weekend.

The music presented was that of Mrs. Joseph (Betty Lou) Hiles, the music teacher, from the book "Happy Songs For Little People."

There was a representation of 102 from eight counties present and refreshments were served by the Happy Day staff. The meeting closed with a "buzz" session.

PRE-WEDDING SHOWER HONORS KATHY BABIC

Miss Kathy Babic, a daughter of Mr. and Mrs. Pete Babic, 631 Bend Road, was guest of honor at a pre-wedding shower this week given by Mrs. Sharon Shaffer, 516 Bend Road, Mrs. Donna Kagy and Mrs. Mildred Russell in the Shaffer home.

Miss Babic attended elementary schools in Madison and is a 1969 graduate of Madison High School. She is presently employed by the Granite City Army Depot.

The bride-elect will be married Feb. 14 at the Second Baptist Church, with Rev. B. E. Dutton officiating at the double ring ceremony.

Wade Simpson, son of Mr. and Mrs. Earl Simpson of Martinsville, Ind., the prospective groom, is employed at the Stark and Wesell Corp. in Indiana, where the young couple will reside following the wedding.

The wedding colors of blue and white were used throughout the table appointments. Blue and white crepe streamers and white bells completed the decor.

Following the opening of gifts, games were played and prizes were awarded to Mrs. Bonnie McDowall, Mrs. Irene Miller and Mrs. Shirley Watkins.

The hostesses served a decorated cake and punch to the honoree, her mother, Mrs. Ruth Babic, grandmother, Mrs. Mildred Babic, the prize winners and Mesdames Georgia Berger, John Buehrer, John Debeve, Ervin Mueller, Ethel Barton, Shirley Rulo and Gerald Fisher and Misses Marsha Gall, Connie McDowall and Kathy Shaffer.

Regional Report -- Spotlight on Highway Project Hiring

(Illinois Metro East Industrial Development Corporation)

The threat of the suspension of some highway projects in this region became a reality last week.

Because the contractors were not in compliance with the Ogilvie plan to end racial discrimination in area highway construction, work ended on the reconstruction of Illinois 140 east of Alton, on the widening of a bridge on Illinois 143 northwest of Edwardsville, on the construction of a bridge for Illinois 13 over the Kaskaskia River, and on two bridges over Silver Creek on Interstate 64 east of Belleville.

The Ogilvie plan states that the third and sixth persons of every ten people employed by the contractors must be advanced trainees.

In other area highway news, bids were received by the Illinois Division of Highways on six projects, while no bids were received on five others.

The major highway projects receiving bids were the widening of grade separations of Illi-

nois 143 and Illinois 140 over Interstate 55 and the construction of pavement on relocated Illinois 143 northwest of Edwardsville. Bids were not received for the building of overpasses of Interstate 64 at 8th and 10th streets in East St. Louis, the construction of three miles of pavement on 144 near Caseyville, the improvement of I-70 near Troy, and the construction of ramps and roads between the Poplar Street Bridge and East St. Louis.

This was the fourth time that no bids have been received on the 164 projects.

Rezonings necessary for the construction of a shopping center on Illinois 161 and for the development of a 174-unit apartment complex have been approved by the St. Clair County Zoning Board of Appeals.

A department store is planned for the shopping center, which is projected to cost \$2.5 million. This action is subject to review by the St. Clair County Board of Supervisors.

A proposed increase in the school tax was defeated by the voters of the Wood River-Hartford elementary school district. The proposal to increase the tax rate by 30 cents per \$100 assessed valuation failed by a margin of 218 votes.

Edwardsville school district voters are going to the polls again to vote on a \$45,000 bond issue to help pay for the high school facilities destroyed by fire in 1968.

The Granite City board of education plans to construct a \$115,000 special education addition to Wilson School.

In East St. Louis, Argie Thomas has been elected president of East St. Louis Federation of Teachers Local 1220, succeeding Don Miller.

The Monsanto Co. has laid off 60 workers at its Krumrich plant in Sauget. Monsanto has reported a drop in earnings from \$3.08 per share in 1969 to about \$2.15 in 1970.

The American Zinc Co., another company with a plant in Sauget, is reportedly discussing the sale of some or all of its assets. In the fiscal year ended June 30, 1970, the British-con-

trolled company reported a net loss of \$2.4 million.

A new two-year contract with six Belleville area stove companies was accepted by the membership of Belleville Local 404 of the Stove Mounters Union. The new agreement increases the wages of hourly employees by 55 cents over the two years.

Workers on an incentive or piecework basis will receive an increase of 26 1/2 percent the first year and 15 1/2 percent the second year.

In Wood River, cementmen have been rescued with nine of the 11 unions at the Shell Refinery.

A hearing on a U. S. District Court order enjoining the city of Alton from enforcing an ordinance prohibiting a corporation from replacing employees on strike with outside workers is being held in Springfield.

Negotiations in the five-month strike between the Alton Box Board Co. and the United Paper Makers and Paper Workers

The Illinois Metro East Corporation joined a number of other regional organizations in supporting the National Park Service proposal for a small riverfront national park at East St. Louis opposite the Gateway Arch.

Under the proposal, called plan "B", the majority of the land between the Eads and Poplar Street Bridges would be used for other forms of development.

In other developments, a representative of the Regional and Urban Development program of the St. Louis area has become a substitute for action in the redevelopment of the area.

Mendelson concludes that successful redevelopment is at best difficult, if not impossible.

St. Clair's new \$4 million jail was dedicated in ceremonies attended by Norman Carlson, director of federal prisons, Sheriff O'Neal and Board of Supervisors Chairman F. J. Foley.

An open house for the new jail also was held.

The St. Clair County Public Building Commission, which built the new jail, has named a St. Louis firm as bonding agent for the proposed new \$9.5 million St. Clair County Courthouse.

Another tuition increase, the second in eight months, was approved by the SIU Board of Trustees. Full-time resident students will begin paying \$143 per quarter in the fall, an increase of 42 1/2 percent.

This was the same increase as requested by the Illinois Board of Higher Education in November of last year.

In other actions, the Board voted to unanimously support the position of Dr. John Rendleman in the handling of the estate of Paul Powell. Dr. Rendleman has retained the First National Bank of Mattson to help with Powell's estate.

In general area news, the City of Collinsville has received a \$1.2 million grant to construct a sewer treatment plant; an additional 200 applications have been received by the Lewis and Clark Community College for the second semester.

Robert Yeates has resigned

as vice-president of the Greater Alton Association of Commerce to accept a position with the Arlington, Tex., Chamber of Commerce; permission has been given by the city council to hold Columbia's annual Straussenfest.

Charles Richards has been elected president of a national association, Structural Products Institute; and the Belleville Philharmonic Orchestra is performing in the auditorium of Belleville West High School.

Crippled Children's Benefit Ball Saturday

The 33rd Annual Ball, sponsored by the Venice Crippled Children's Organization, will be held Saturday evening at Venice-Madison American Legion Post 307 Hall, 740 Broadway, Venice.

Music for dancing will be provided by the Rich Wagon Orchestra from 8 p.m. to 1 a.m. The public is invited to attend. Donation is \$1.50 per person.

The Crippled Children's Ball is one of the major events of the year and the organization's principal fund-raising benefit project. Through the affair, the group donates funds each year to the Shriners' Hospital for Crippled Children and the Madison County March of Dimes Foundation.

As an added feature, Venice volunteer firemen and members of American Legion Post 307 will conduct their annual "Road Block" Saturday on Broadway at Klein Street, seeking additional donations from motorists for the organization's charitable endeavors.

Officials of the county March of Dimes unit and Mr. and Mrs. Bruce Cook, parents of the 1971 March of Dimes Poster Child, Jason Cook, will be guests at the ball.

Miss Dulgeroff Named Distinguished Woman

Miss Jayne Dulgeroff, daughter of Mr. and Mrs. Virgil H. Dulgeroff, 2902 Franklin Ave., has been named one of 14 "distinguished senior women" at the University of Denver.

The award, recognizing her scholastic achievement and service to the university, was presented recently at the annual banquet of the Associated Women Students (AWS), governing body of DU's more than 2,700 undergraduate coeds.

A history major at DU, Miss Dulgeroff is a graduate of Granite City High School.

Truck, Auto Collide

Elma I. Farris, Rural Route One, Box 1348, Granite City, told Venice police that a tractor, pulling a flat bed trailer, sideswiped her auto on Main Street near Broadway at 10:25 a.m. Monday, and left the scene. She said the truck had a St. Louis address printed on the door. Both vehicles were southbound on Main Street when the truck collided with the Farris auto.

BB's Shot at Window

About 20 BB shots were fired into the window at the Roadrunner Raceway, 2200 Edison Ave., it was reported this week.

K. C. Council Holds Membership Campaign

A membership recruitment program to honor His Holiness Pope Paul VI was announced today by Grand Knight John Korking of Tri-City Council 1886 of the Knights of Columbus.

At the same time he appointed Steve Salitch as general chairman for the program.

In accepting, Salitch said, "Our council will participate in the order-wide membership program from January through March. During this time we will concentrate our efforts on enlisting the support of still more qualified Catholic men to more fully accomplish the goals and purposes of the Knights of Columbus."

Salitch said the council is looking forward to increased activity in the areas of social, civic and community involvement.

"We want to add to our membership all those Catholic men in our area who are sincerely interested in exercising their talents in this direction," Salitch added.

As a reaffirmation of the loyalty to the pastoral leadership of the Pope, the council will hold an admission degree in which new members will be exemplified into the order, Salitch said.

Venice Opens Bids For Street Supplies

Bids for road salt from six companies and a lone bid for bituminous patching material for city streets were opened Tuesday morning by Venice City Comptroller Carl Byrnes.

Duplicate low bids for \$7.70 per ton for salt were submitted by Cargill Salt Co. of Oakbrook and Morton Salt Co. of Rosemont. With 150 tons needed, the bids totaled \$1,155.

Other bidders included Hardy Salt Corp. of St. Louis who bid \$11.35 per ton; Gunther Salt Co. of St. Louis with a bid of \$12.35 per ton; Diamond Cryst. Salt Co. of St. Clair, Mich., \$14.75 a ton, and International Salt Co. of St. Louis, \$16.20 per ton.

The lone bid on bituminous patching material was MacLair Asphalt Co. of Collinsville with \$9 per ton for 250 tons, a total of \$2,250.

The bids will be considered at the next regular meeting of the Venice City Council Feb. 9.

Parked Auto Struck

The parked auto of Charles C. Voloski, 1610 Seventh St., Madison, was struck by a tractor-trailer on Fourth Street near Broadway in Venice at 12:45 p.m. Monday. The truck then hit the scene. The left front of Voloski's auto was damaged.

Nemeth Installed President of Juvenile Assn.

Detective Sergeant Joseph J. Nemeth of the Granite City Police department was installed president of the Metro-East Juvenile officers association in a meeting Monday at Augustine's restaurant in Belleville.

Joseph T. Kelleher Jr., magistrate in the 3rd Judicial District, was the installing officer.

Other officers installed were Charles A. Glaser, juvenile officer of the Edwardsville police department, vice-president, and Anthony M. Golec, legal investigator from Belleville, as secretary-treasurer.

Retiring president Sergeant William Fanning, youth officer from Madison, was presented a plaque for his service to the association during the past year.

The association is made up of juvenile officers of various police departments, social workers, church leaders and citizens interested in helping youth in Madison and St. Clair counties.

Mobile Exhibition Hall Ordered by SIU Museum

A mobile exhibition hall to be used on the campus of Southern Illinois University's Carbondale Campus has been ordered by the University Museum, Basil Hedrick, Museum director, has announced.

The mobile unit will be built to Museum specifications by Holder Mobile Homes, Inc. of Pinckneyville, on a bid of \$5,484, submitted in competitive bidding.

Delivery is expected Feb. 5, and the unit will be placed in operation with its first exhibit—using the theme "SIU—Internationally"—at the beginning of the spring quarter, Hedrick said.

ROTC Women Learning About Life in Military

Unheralded and somewhat unnoticed, some of the women folk around Southern Illinois University's Carbondale campus have been getting some training through resources of the Air Force ROTC detachment.

They don't receive any college credit; neither do they get commissions or wear uniforms. They are the wives and sweethearts of students enrolled in the university's ROTC program and are learning how to cope with problems they'll be facing when their men are commissioned and move out. Their teachers are women who have been there.

The young women, numbering about a score, are members of the Cadet Ladies Club. Their adviser is Mrs. C. R. Carlson, wife of the detachment commander. Once a month the girls meet to learn as much as they can about the life of a military family—about living on a base, moving from base to base, and preparing for periods when the officer husband is away.

Their teachers are the wives of the staff officers in the ROTC detachment who already have experienced what they are re-

Five Area Students Earn Millikin Honors

Five area students have been placed on the dean's list in recognition of their academic accomplishments during the first semester at Millikin University, Decatur. They are:

Patricia Hayes, daughter of Mr. and Mrs. Paul W. Hayes, 2814 Idaho Ave., a freshman mathematics major; James Hentzel, son of Mr. and Mrs. Merle Hentzel, 3245 Fehling Road, a senior majoring in marketing, with straight A's.

Ronald Laws, son of Mr. and Mrs. Jesse R. Laws, 2328 North St., a junior majoring in industrial engineering; Michael Leatherman, 1831 Third St., Venice, a junior industrial engineering major; and Phyllis Wallace, daughter of Mr. and Mrs. Clarence Wallace, 3144 Myrtle Ave., a junior who plans to teach.

DEMOLAY DISTRICT OFFICERS elected at a meeting here are, left to right, Jay F. Wolz of Chester, senior counselor; Dr. Sylvester Downey of Jerseyville, veteran advisor; Barry Bruggeman of Ed-

wardsville, master counselor; Edward C. Bieser of Collinsville, state executive officer; and Steven Dugger of Collinsville, junior counselor.

150 Attend DeMolay District Meeting Here

The James Stuart Chapter, Order of DeMolay, this week hosted a meeting of the DeMolay Association of Southern Illinois at the Masonic Temple.

About 150 members and advisors attended from Alton, Collinsville, Chester, Carlinville, Columbia, Dawson, Edwards-

ville, Jacksonville, Marion, Mt. Vernon, Mattson, Sparta, Springfield, Quincy, Villa Park and Whitehall.

Paul Boyer, master counselor, welcomed the group and introduced Mike Rapoff who was in charge of the devotional service.

Auditions Set Sunday For Assumption Show

The Assumption High School theatre department will hold auditions for its spring musical, "Hello Dolly," from 1 to 5 and 7 to 10 p.m. Sunday.

As it is an all male school, male roles will be filled by Assumption students. There are, however, 18 female parts available to girls from any of the surrounding schools. Girls wishing to audition are requested to prepare a song from the show. An accompanist will be provided.

Auditions for the show's orchestra will take place at the same time. Instrumentalists of all types are needed, and those wishing to audition are requested to bring instruments.

Philip Atkins, the show's musical director, is looking specifically for musicians capable of playing clarinets, saxes, trombones, strings, banjo-guitar and percussion.

The show will run for six performances in April under the direction of Donald Boevingloh.

Named to Honor Roll

Mark H. Thompson of Granite City has been named to the honor roll at Transylvania University, Lexington, Ky., for the fall quarter. He is a freshman majoring in forestry and is a graduate of La Lumiere School, La Porte, Ind. Transylvania, founded in 1780, is the oldest university west of the Allegheny Mountains.

Following introduction of the jurisdiction of Illinois officials by Edward C. Bieser, executive officer of the Illinois DeMolay, the meeting adjourned to dinner served by the local DeMolay Mothers Club, with Mrs. Betty Elbrecht as chairman.

Introduced from Granite City were Gene Ross, Masonic relations advisor, and Robert F. Maxwell, ritual advisor. Given a special introduction was Dr. Sylvester W. Downey of Jerseyville who will be 94 in February and has been associated with DeMolay since 1923 when he was instrumental in organizing the first chapter in Pennsylvania at Pittsburgh. He now is an advisor for the Jerseyville chapter.

Fred Barton, DASI master counselor, conducted the afternoon business session with an election of officers and selection of Jacksonville for the May DASI meeting.

Elected were Barry Bruggeman of Edwardsville, DASI master counselor; Jay F. Wolz of Chester, senior counselor; and Steven Dugger of Collinsville, junior counselor.

Robert B. Murray of Edwardsville presented Barton with his DASI past master counselor's jewel. It was announced that a Masonic picnic will be held June 13 at Highland. The meeting adjourned to the YMCA for swimming.

Salaries Show Mixed Pattern for SIU Grads

Average salaries received by the 1971 crop of graduates of Southern Illinois University at Carbondale showed a mixed pattern, according to records of the Placement Services office.

Bachelor's graduates entering the teaching field for the first time earned more, as did beginning teachers with the master's degree who accepted jobs in the elementary schools, but master's graduates beginning high school teaching did not fare as well as their counterparts in 1969.

In the non-teaching field, holders of both technical and non-technical degrees had a lower pay scale than last year. The technical graduates averaged \$9,963 in salary, compared to \$10,718 last year, and non-technical ones \$7,677 compared to \$8,172 last year.

For beginning teachers with the bachelor's degree, those in elementary schools received \$7,713 compared to \$6,656 in 1969, those in high schools \$7,300 compared to \$6,987 a year ago. Master's degree graduates signed for an average of \$8,500 compared to \$8,385 for elementary school positions but \$8,600 compared to \$8,916 for high school positions.

Student Workers at SIU To Get 15¢ Salary Hike

All student workers at Southern Illinois University will receive an across-the-board wage increase of 15 cents per hour, effective Jan. 31.

The raise is in accordance with the new federal minimum of \$1.60 per hour which becomes effective Feb. 1. The rate has been \$1.45. SIU students will begin earning the new scale a day early, because the regular pay period starts on the last day of the month, according to Raymond P. DeJarnett, assistant director of student work and financial assistance.

Because of an insufficient increase this fiscal year in funds available for student salaries, DeJarnett said the number of hours a student works will have to be reduced from an average of 17 to about 15 hours per week to allow for hourly increases. He said the Student Work Office could have elected either to keep the hours the same and give raises only to those now earning less than the minimum, with no increases for other students, or to eliminate up to 400 student jobs. He said it was the option chosen was the fairest to all.

The necessity of the cut-back in hours is unfortunate but not unexpected, DeJarnett said. In the past two years student wage rates have risen 24.5%, while available funds have increased only 4%. This resulted in a reduction of the average number of hours a student could work from 19 to 17 hours per week, and a decrease in the number of student jobs of about 7%.

The new pay rates will be reflected in checks to be issued March 1.

On Ship Presented With Pacific Fleet Award

Navy Petty Officer Second Class Roy L. Vaughn, son of Mr. and Mrs. William H. Vaughn of 1633 Second St., Madison, is serving aboard the destroyer USS Orleck at San Diego, which was presented the Commander in Chief Pacific Fleet Golden Anchor Award.

The award brings recognition to that command which, through a favorable shipboard climate, best achieved the Navy's goal of a high retention rate among enlisted personnel for Fiscal Year 1970.

Reports for Navy Duty

Daniel Eugene Williams, son of Mrs. Ruby Coopwood, 23 Grenzer Homes, Madison, has reported for active duty in the U. S. Navy. He is presently undergoing recruit training at the U. S. Naval Recruit Training Center, San Diego, Calif. Daniel will be granted 14 days leave upon completion of recruit training and prior to reporting to his next duty station. Daniel is a graduate of Madison High School, class of 1969.

87% in Job Corps Get Jobs Averaging \$2.28

The placement rate for Job Corps enrollees in Illinois was 87% during the 1970 fiscal year, a U. S. Department of Labor official announced today.

They were placed at an average hourly wage of \$2.28, according to Emory J. Bero, the Labor Department's assistant regional manpower administrator for Job Corps.

By law, the Labor Department's Manpower Administration counts as placements Job Corps men and women who are placed in jobs, in school or in the Armed Forces.

There were 1,056 Job Corps youths available for placement in Illinois. Virtually all returned to their homes after training at one of the eight residential centers of the Job Corps' Region IV, which includes Illinois, Indiana, Michigan, Minnesota, Ohio and Wisconsin.

These include men's urban centers at Camp Atterbury and Edinburg, Ind.; a women's urban center in Cleveland; a residential manpower center in Cincinnati; and a conservation center at Golconda, Ill. and Branchville, Ind., and Blackwell and Lakota, Wis. A new residential manpower center is scheduled to open in Detroit this winter.

Mr. Bero pointed out that Job Corps members who completed their training had a much better chance of placement—and at a higher average hourly wage—than those who dropped out.

SIU Graduates Accept Jobs in 90 Counties

A 1970 degree from Southern Illinois University's Carbondale Campus led graduates to positions in 90 counties of Illinois, 42 other states, the nation's capital, and 14 foreign countries.

Records of the Placement Services Carbondale office as of Oct. 1 show that of the 4,472 winning degrees at the June and August commencements, 645 have accepted jobs in business and industry, 918 in education, 85 in government, 12 in social agencies.

Another 463 were attending graduate schools—309 at SIU, 154 elsewhere—133 are in military service, and 37 did not request employment.

As of Oct. 1, 342 were still available for employment. A total of 1,486 had made no report to the Placement Service office of their employment or current activity.

"A much larger percentage of the 1970 graduates were still seeking jobs as of Oct. 1 than in 1969," Mrs. Martha Hughes, Placement Service Office supervisor, said. "And approximately a third of the class this year had not reported to us, compared to about a fifth last year."

Of the 918 students going into educational work, 384 were teaching in elementary schools, 265 in high schools, 6 in overlapping grade levels, 43 in junior college and technical institutions, 180 in colleges and universities, and 30 accepted administrative positions.

Auditions Underway For SIU Variety Show

Auditions are now being held for the 24th annual Theta Xi Variety Show which will take place Feb. 5 and 6 on the Carbondale campus of Southern Illinois University. It was this same show, 18 years ago, that launched a young comic from St. Louis, Dick Gregory.

The show takes on a slightly different year as it expands to two nights of performances, and moves back into newly remodeled Shryock Auditorium. According to Rich Glover, chairman of the show, "the entertainment will vary from single productions to Broadway productions." He also promised that this year's show wouldn't be as long as last year's four hours.

Degree Award Sought In Area of Education

Southern Illinois University will ask the Board of Higher Education to let it change a six-year 'Certificate of Specialist' program to a degree award.

The program, extending two years beyond the master's degree level, now offers the specialist certificate to education students who complete professional studies in such areas as counseling, school administration and supervision. The SIU board of trustees said giving it the status of a degree is consistent with trends at other schools and 'would provide students with a more suitable symbol of attainment.'

The SIU trustees say academic standards in the specialist program are as rigorous as those for Ph.D. courses, although specialist candidates don't have to write a dissertation. The board resolution said the designation 'certificate' is usually associated with undergraduate work below the bachelor's degree level.

Specialist programs are offered at both the Carbondale and Southern campuses of SIU.

First of 'Three-Day Holidays' is Monday

Schools and all state agencies in the Quad-Cities will close Monday in observance of Lincoln's Birthday in the first of a series of 1971 Monday holidays declared by Congress and the state.

Lincoln's Birthday, celebrated elsewhere in the nation Feb. 12, has been moved to Feb. 1 in Illinois by the state legislature to provide a three day weekend.

Monday, holidays declared this year by the Federal Government will include Washington's Birthday, Feb. 15 Memorial Day, May 31; Columbus Day, Oct. 11, and Veterans' Day, Oct. 25.

Agencies closed Monday will include all offices in the Madison County Courthouse, the Driver's License Examining Station, the Illinois State Employment Service and Division of Unemployment Compensation, the Work Incentive (WIN) Office, and all public and parochial schools in the Quad-Cities, Southern Illinois University-Southwestern campus, however, will conduct a normal class schedule.

All stores will be open Monday as will all banks and savings and loan associations. The Post Office also will conduct normal business Monday.

City halls in Granite City, Madison and Venice will remain open. Granite City employees were to have had Monday off but traded the Lincoln Birthday holiday for the day after Thanksgiving last November to provide a four-day holiday.

Trojan Restaurant
To Open Monday
The Trojan Restaurant, 409 Madison Ave., Madison, will re-open Monday at 6:30 a.m. Mrs. Paula Prince, widow of the late Joe Prince, former operator of the Madison Sportsman's club, is the new owner and operator. Extensive remodeling has been done in the kitchen with the installation of new cooking equipment. During each noon hour, the menu will feature one foreign dish.

First Aid Workers May Join CD Disaster Team

Mrs. Maxine Duniphan, First Aid training officer for the Tri-City American Red Cross Chapter, this week invited to join the Civil Defense Disaster Action Team (DAT), which meets monthly at the Granite City CD Building, 1411 Nineteenth St.

Membership in the Disaster Action group is open to any qualified first aid worker. Mrs. Duniphan stressed. She noted that a First Aid instruction program will start Monday evening, Feb. 22, in conjunction with the team's next meeting.

The 10-hour training course, to be given in a series of two-hour classes over a five-month period, may be attended by persons wishing to update their First Aid Certificates, or newcomers to first aid work, the team leader said.

Certificates must be renewed every three years through participation in a refresher course, or by attendance at practice training sessions, the officer pointed out.

Starting Feb. 22, classes will take place from 7 to 9 p.m. on the fourth Monday of each month at the Granite City CD Building, Mrs. Duniphan advised.

At the present time, approximately 700 Quad-Cityans hold Red Cross First Aid Certificates, the officer explained. About 400 area residents were trained through the local Red Cross instruction program last year and are eligible to join the Disaster Action Team, she added.

CD Director Reports
Guest speaker at the DAT meeting Monday night was Civil Defense Director Victor H. Koenig, who discussed the topic, "Increasing the Emergency Readiness of the Community."

Reporting the extent that emergency manpower and equipment were utilized at the Granite City High School fire, Koenig commented, "The major blaze . . . made us acutely aware of the necessity for a fully-trained organization that could be called upon in any disaster . . . man-made or natural."

The civil defense executive also reviewed various external groups now affiliated with local civil CD programs, pointing out the value of a newly-formed underwater recovery team, sponsored by the Bubblemaster Scuba Diving Club, and the

Kindergartners Meet 'Community Helpers'

"Community helpers" from a variety of professions are conferring this week with Nameoki Grade School's 105 kindergartners to aid the youngsters in learning how the cooperative efforts of many people enable their home town to function for the benefit of all.

"The community helpers are telling about their jobs in our community, and the boys and girls are seeing how they themselves fit into the community," Mrs. Roger (Joyce) Tracy, 3302 Franklin Ave., one of the kindergarten teachers, explained. The other teacher is Mrs. William (Kae) Robbins, Rural Route One, Pocahontas.

The half-day meetings with adults began this week and will continue until the series is completed.

Participants include Jon Lybarger, an Illinois state policeman, Mrs. Carol Tritschak, a nurse, Dr. Walter Brylak, a dentist, and Edward Heintz, a mailman, each of whom has a child in the Nameoki kindergarten.

Also taking part are Dr. Robert Blankenship, a medical doctor; Dr. Scott Henderson, a dentist; and Dr. Larry Tadlock, a veterinarian.

The teachers will discuss with the five-year-olds and six-year-olds how events affecting them are relayed to their community through the newspaper.

Boy Scout Annual Meeting Tonight
Beginning with dinner at 6:30 p.m. the Calhoun Mount Cook, Ill. Boy Scouts of America, will hold its annual business meeting today at the Sunset Hill Holiday Inn.

Election of officers and annual reports from the operating committee chairman will be the major item of business.

Local Chamber Designated as Associate Office of U. S. Department of Commerce

The Tri-Cities Chamber of Commerce has been designated as an Associate Office of the U.S. Department of Commerce, William H. Curran, acting director of the St. Louis Field Office, announced this week.

The Associate Office Certificate presentation will take place at the Rose Bowl restaurant on Tuesday, Feb. 2, at 6:30 p.m. at a monthly dinner meeting of the Chamber's board of directors.

Lowell Burns, chief of the Domestic Trade Section, St. Louis Field Office, U.S. Department of Commerce, will present the certificate to the Chamber in behalf of Secretary of Commerce Maurice H. Stans.

Reports, Statistical Data
The Department of Commerce provides the Associate Office with publications, statistical data and reports of value to business in the area served by the Tri-Cities Chamber of Commerce.

Grand Jury Impaneled, Six from Here Serve

A new Madison County Grand Jury was impaneled Monday in the Circuit Court of Judge Harold R. Clark at Edwardsville, with Willard Portell, court clerk, administering the oath. Jurors from this area include Richard Prehn, 2815 Westchester Dr.; Marcelle Barnes, 3400 Franklin Ave.; James Collins, 2530 Buenger Ave.; William Elmer Farmer, 2634 Delmar Ave.; Gary Andrews, 3206 Washburn Ave.; and Elvera Johnson, 716 Jackson St., Madison. Committee chairman will be Louis Koeller of Godfrey.

Office, assistance is provided for prompt service to manufacturers, wholesalers, service traders, financial institutions and business associations.

The Associate Office serves as liaison between the St. Louis Field Office and businessmen of this area, alerting the Department of Commerce to local business requirements, activities, interests and problems so that the department may more fully meet the needs of the business community.

"It also helps promote the department's export expansion program, which increases employment and profit and contributes to the nation's balance of payments," Curran told the Press-Record.

Joint Environment Committee Goal -- Clear Focus to Help Make Difficult Decisions

Congressman Melvin Price, Democrat, 24th Illinois District, who joined more than 100 of his colleagues in introducing legislation on the opening day of the 92nd Congress to create a Joint Committee on the Environment, reports that the legislation is identical to H. J. Res. 1117 of the 91st Congress as approved by the House on May 25, 1970.

The Senate had approved a similar proposal in the closing days of the last Congress but a House-Senate conference committee was unable to agree on a compromise version of the legislation.

Price explained that the proposed Joint Committee on the Environment would consist of 11 members of the House and 11 members of the Senate, with the chairmanship and vice-chairmanship alternating between the House and the Senate with each Congress.

As a principal cosponsor of the legislation in the 91st Congress, Rep. Price stated: "The joint committee which we propose to create would be a non-legislative committee, organized to provide a clear focus on many of the difficult environmental decisions which must be made in the years ahead."

"It would also provide the legislative committees with the necessary background to insure effective action on short-term and long-term environmental problems and needs."

The congressman said, "There remains an urgent need for the establishment of a Joint Committee on the Environment. I am happy to report that the enabling legislation has wide-spread support."

Calls Action Imperative
This also is my understanding that similar legislation will be introduced in the Senate and it is my hope and expectation that the House and Senate will approve the proposal at an early date. Early action is imperative to assure that Congress will be in a position to effectively carry out its responsibilities with regard to environmental matters."

Rep. Price explained that Section 2 of the legislation gives the Joint Committee the following responsibilities:

"Sec. 2 (a) It shall be the duty of the committee—
(1) To conduct comprehensive study and review of the character and extent of environmental changes that may occur in the future and their effect on population, communities and industries, including but not limited to the effects of such changes on the need for public and private planning with regard to housing, water resources (including oceanography), pollution control, food supplies, education, automation affecting interstate commerce, fish and wildlife, forestry, mining, communications, transportation, power supplies, welfare, and other services and facilities;

(2) To study methods of using all practicable means and measures, including financial and technical assistance, in a manner calculated to foster, promote, create and maintain conditions under which man and nature can exist in harmony, and fulfill the social, economic and other requirements of present and future generations of Americans;

(3) To develop policies that would encourage maximum private investment in means of improving environmental quality; and
(4) To review any recommendations made by the President (including the environmental quality report required to be submitted pursuant to section 201 of the National Environmental Policy Act of 1969) relating to environmental policy.

(b) The Environmental quality report required to be submitted pursuant to section 201 of the National Environmental Policy Act of 1969 shall, when transmitted to Congress, be referred to the committee, which shall, as soon as practicable thereafter, hold hearings with respect to such report.

(c) On or before the last day of December of each year, the committee shall submit to the Senate and to the House of Representatives for reference to the appropriate standing committees an annual report on the studies, reviews and other projects undertaken by it, together with its recommendations.

The committee may make such interim reports to the appropriate standing committees of the Congress prior to such annual report as it deems advisable.

(d) In carrying out its functions and duties the committee shall avoid unnecessary duplication with an investigation conducted by any other joint committee, or by any standing committee of the Senate or of the House of Representatives.

Production of Popcorn In State Down Sharply

Sometimes it is surprising what you can discover about Illinois farm crops and enterprises from some of the reports issued by the Illinois Cooperative Crop Reporting Service.

Walter J. Willis, SIU farm marketing specialist notes:

Consider a few recent gleanings from periodic special reports and the recent Agricultural Annual Farm Census 1970 in the Illinois Agricultural Statistics report:

First, review the seed production statistics for some of the hay crops other than the clovers and alfalfa which generally are the most popular.

One of these is timothy, once a common hay crop on the farm for livestock forage, especially for horses. The 1970 estimated Illinois production was 715,000 pounds from about 5,300 acres, up about 2% from 1969 but 9% below 1968.

The Assessors' Report shows Hardin was the leading county in timothy seed production with 24 farms reporting and 1,011 acres of timothy harvest for seed. White County recorded 365 acres harvested for seed.

The nation's big timothy seed producing states this year are Minnesota (78,000 acres), Missouri (26,000) and Ohio (18,000 acres). The indicated national production for 1970 was 26% million pounds. About half that much also was carried over from the previous year.

Where Has Redtop Gone?
One grass-hay crop extensively produced in Southern Illinois has disappeared from the reports. That is redtop, which 30 or 40 years ago was extensively grown for seed in a few of the area's upland counties, such as Wayne and White.

Lepesdera is grown as a hay crop extensively in a few southern counties, according to past reports. For example, Johnson County reported nearly 17,000 acres of Lepesdera cut for hay in 1969 from 217 farms. Hardin County reported over 4,000 acres. Pope County over 3,200

mitted pursuant to section 201 of the National Environmental Policy Act of 1969 shall, when transmitted to Congress, be referred to the committee, which shall, as soon as practicable thereafter, hold hearings with respect to such report.

(c) On or before the last day of December of each year, the committee shall submit to the Senate and to the House of Representatives for reference to the appropriate standing committees an annual report on the studies, reviews and other projects undertaken by it, together with its recommendations.

The committee may make such interim reports to the appropriate standing committees of the Congress prior to such annual report as it deems advisable.

(d) In carrying out its functions and duties the committee shall avoid unnecessary duplication with an investigation conducted by any other joint committee, or by any standing committee of the Senate or of the House of Representatives.

The committee may make such interim reports to the appropriate standing committees of the Congress prior to such annual report as it deems advisable.

(d) In carrying out its functions and duties the committee shall avoid unnecessary duplication with an investigation conducted by any other joint committee, or by any standing committee of the Senate or of the House of Representatives.

The committee may make such interim reports to the appropriate standing committees of the Congress prior to such annual report as it deems advisable.

and Massac County nearly 2,400 acres harvested for seed.

Popcorn production dropped considerably in Illinois because of adverse weather conditions and the effects of the Southern leaf blight.

Acresage was down to 15,000 acres, as farmers had difficulty getting the crop planted because of wet fields. Then yields were reported the 1970 yields have been trained in the past eight years. The new sessions will cost \$4,284.

A temporary art position was created by the board which hired Lynn E. Shepard, 1616 Mitchell Ave., to teach at Coolidge, Prather and Central Junior High Schools. A half-day teacher is to be hired to instruct 15 slow-learning first graders at Wilson School.

The board authorized filing of a claim under Public Law 874 providing for federally impacted aid. The number of eligible children has dropped to 378 from 521 last year due to decreased employment at the Granite City Army Depot, and the administration estimated the district's entitlement would be about \$170,000.

Life safety reports on work necessary at Wilson, Maryville and Lake Schools were presented by Architect Virgil Dieroff. The work, planned for next year, includes costs of \$10,385 at Wilson School, \$10,660 at Maryville School and \$10,540 at Lake School.

New Custodial Positions
Two new custodial positions were created for the high school because of the new addition at the gymnasium.

Continuation of the special education swimming program at the YMCA for the second semester was approved. The cost will be \$180.

Gifts of 21 closed fans from the McKinley PTA for use in classrooms at a cost of \$13 each and Division of big yards for Grigsby Junior High Schools vocal music program from the vocal fund were accepted.

The board retained Harold Baker, Belleville attorney, as special counsel and consultant to the board.

Schrumpf Is Promoted By Insurance Agency
Granite City life insurance specialist Donald L. Schrumpf, 8900 Gaslight Walk, has been given additional administrative and supervisory responsibilities as an assistant manager with Mutual Of New York's Blaine Carr agency in St. Louis.

He will be responsible for manpower recruiting and administration of the company's life insurance training programs.

Since joining MONY in 1964, Schrumpf has specialized in life and health insurance, planning for families and businesses. He has qualified for company sales honor organizations and currently ranks among the top 25% of MONY's 4,500-man national field force.

Schrumpf is a graduate of the University of Illinois. He and his wife, Diana, have two children. The agency, located at 515 Olive St., serves policyholders in 31 counties of Illinois.

he is seeking civil defense shelter locations in Venice and has found local industries and churches very cooperative. Among those who have taken steps to set up shelters are Phelps-Dodge Aluminum Products Corp. and St. Mark's Roman Catholic Church, he said.

Hartman was instructed to prepare a letter of complaint to the management of the company asking that precautions be taken to avoid a recurrence of the pollution.

If that fails to get action," Mayor Lee said, "we'll order the Chief of Police to go in there and arrest them (the management) and we'll bring this thing to a head."

Ben Honorable, civil defense director for the city, reported to the council on the Emergency Operations Simulation Training exercise in Granite City Jan. 4, 4, and said, "My hat is off . . . to a job well done."

He said that exercises such as the one conducted in Granite City are, in his opinion, worthwhile and very important. He requested the council allow the chiefs of police and fire departments to attend a drill in Jerseyville which is taking place today. The council gave their permission for either the chiefs or assistants chosen by them to attend with Honorable.

Contract Talks To Begin With GC School Board

A notice by Granite City Federation of Teachers Local 743 to open negotiations for salary and other conditions of employment for the 1971-72 school year was presented to the Board of Education at its meeting Monday night.

Edward P. Huff, local president, introduced members of the union's negotiating committee which includes Robert Johnson, chairman, John Boyer, Dede Hodges, Shirley Stoll, Donald Shaffer, Barry Freedman and Huff.

Named to the board's committee by President A. L. Metcalfe were George Moore and Ted Macios.

The board granted a leave of absence for Mrs. Marsha Bessant, first grade teacher at Stalling School, effective March 2, and employed Mrs. Pamela K. Ferrill, 23, of Belleville, as a lower primary teacher at Maryville School. She has a bachelor of science degree from Southern Illinois University.

Also hired were Mrs. Joyce Marie Sikora, 2315 O'Hare Ave., to a temporary secretarial position at Parkway School, and Jerry B. Brokaw, 49, of 3124 Auburn Ave., as a custodian.

Accept Resignations
Resignations were accepted from Wheeler King, a laborer who is retiring, and Myrtle Elmore, a cafeteria worker.

The board approved purchase of Athletic equipment from four firms at \$549 and lawn equipment from two firms at \$285.50.

The board approved a jointly sponsored program to be financed by the federal and state governments to train 24 nurses aides in five two-week sessions at the Tri-Cor Medical Building.

It was reported the 1970 aides have been trained in the past eight years. The new sessions will cost \$4,284.

A temporary art position was created by the board which hired Lynn E. Shepard, 1616 Mitchell Ave., to teach at Coolidge, Prather and Central Junior High Schools. A half-day teacher is to be hired to instruct 15 slow-learning first graders at Wilson School.

The board authorized filing of a claim under Public Law 874 providing for federally impacted aid. The number of eligible children has dropped to 378 from 521 last year due to decreased employment at the Granite City Army Depot, and the administration estimated the district's entitlement would be about \$170,000.

Life safety reports on work necessary at Wilson, Maryville and Lake Schools were presented by Architect Virgil Dieroff. The work, planned for next year, includes costs of \$10,385 at Wilson School, \$10,660 at Maryville School and \$10,540 at Lake School.

New Custodial Positions
Two new custodial positions were created for the high school because of the new addition at the gymnasium.

Continuation of the special education swimming program at the YMCA for the second semester was approved. The cost will be \$180.

'HAVE HUEY, WILL TRAVEL' Chief Warrant Officer Kurt W. Welser, a U. S. Army helicopter pilot, wrote the notation on photograph, taken at Soc Trang Airfield, Vietnam, to his parents, Mr. and Mrs. Lincoln Welser, 116 Springfield Ave. The serviceman is home on leave after completing a 12-month tour in Southeast Asia.

Table Tennis Series To Start in Madison

A table tennis program for Madison youth will start at 10 a.m. Saturday in the Madison Recreation Center, Seventh and Lee streets, John Kopchak, recreation officer, announced today.

Competitive matches for boys and girls, in the fifth through eighth grade levels, will be arranged during a series of special sessions to be held each Saturday from 10 a.m. to noon, at the center.

All Madison youngsters interested in playing "ping pong" are invited to take part in the program, Kopchak said.

Mon Cut on Lip, Chin

Venice police are investigating a report by Raymond Gatty, 61, of 1608 Market St., that a friend cut him with a knife at his home at 9 p.m. Monday. He received two sutures for a cut in his lower lip and chin at St. Elizabeth Hospital and was released.

Last Quad-Cityan at Soc Trang is Home

Chief Warrant Officer Kurt W. Welser has arrived home from South Vietnam and is spending a leave with his parents, Mr. and Mrs. Lincoln Welser, 116 Springfield Ave., Mitchell.

A U.S. Army helicopter pilot, CWO Welser was among the last American advisers to remain at a former U. S. Army airfield in the Mekong Delta to aid in the transition of the base to full operational status by South Vietnamese forces.

CWO Welser also was the last of four Quad-City servicemen stationed at Soc Trang Airfield simultaneously less than one year ago, to leave the base. Others returning home earlier were Air Force Sgt. George L. Wilkerson, Specialist Four Robert Douglas and Private First Class Robert Tindall.

A frequent visitor at Soc Trang, in an official capacity, was Chief Warrant Officer Michael Lopez, a helicopter pilot and former Press-Record photographer, who came home late last year.

CWO Welser was attached to the 121st Assault Helicopter Co., known as the "Soc Trang Tigers." He had served in Vietnam since January 1970.

A 1966 graduate of Granite City High School, the returnee attended Southern Illinois University - Southern campus and was employed as an aircraft inspector as McDonnell-Douglas Corp., before enlisting in the service in May 1968.

After his turlough at home, CWO Welser will report to Fort Carson, Colo., where he expects to remain prior to separation from the Armed Forces.

Mrs. Jeanette Cravens Promoted to New Post

At the annual meeting of the Edwardsville National Bank and Trust Co., Mrs. Jeanette Cravens was promoted to the position of trust officer. She joined the bank's trust department in September 1968. In January 1969 she was named assistant trust officer, and a year later she was promoted to associate trust officer.

Mrs. Cravens was formerly at the Trust and Savings Bank and is active in the National Association of Bank Women. Her husband, William F. Cravens, is a teacher at Grigsby Junior High School. With their young daughter, Anne, they reside in Edwardsville.

Goodwill in 'Slow Months,' Needs Clothing, Appliances

Its handicapped workers are, and always have been, grateful for contributions to non-profit, non-sectarian Goodwill Industries. Donations of usable and repairable discards of clothing, household items, small appliances and many other items provide them with jobs, job training and rehabilitation.

They repair their own broken lives by repairing donated items. They are physically, mentally and socially handicapped and disadvantaged people who want to help themselves.

They ask not for charity, but a chance to earn the self-respect and human dignity that only a weekly paycheck can bring. They want to become taxpayers instead of tax burdens.

One big problem they face each year is that the months of January, February and March are "slow" months, when contributions are especially low due to the "weather" and "wait until spring house-cleaning time" factors.

When contributions are low, the various sorting, cleaning, repairing and production lines have to be shut down. Thus, the handicapped lose precious working hours and badly needed wages.

Tax Deductible
So, they are asking the public to make an extra effort if possible, to make donations... all of which are tax deductible... during the low contribution months.

Goodwill is located at 4140 Forest Park Blvd., St. Louis. "A little time spent on your part means a lifetime better spent on their part," a spokesman commented this week.

"For local pickups, call 371-6822. For out-of-town pickups, write Goodwill."

"They ask you as individuals or as projects for civic organizations, clubs, church groups, scouts, school or any other group to organize and conduct drives to help them through these slow months."

"Contact Goodwill Industries for Goodwill bags and materials to be used in any such collection drive. For details, write Curt Ray, Director of Community Relations, Goodwill Industries, 4140 Forest Park, St. Louis, Mo. 63108."

Small Business Agency Director to Give Talk

Robert A. Dwyer, Chicago, Midwest regional director of the Small Business Administration, will address the Alton Rotary Club Feb. 1, at 6 p.m. in the Stratford Hotel.

Dwyer, who administers SBA activities in Illinois and five other states, will deal with the wide range of programs offered by the agency during his speech. A native Illinoisan active in the state's civic affairs for more than 20 years, he joined the SBA in June 1969 as director of the agency's Chicago regional office, which subsequently was expanded to cover all of Illinois, Wisconsin, Michigan, Ohio, Minnesota and Indiana.

Dwyer, 44, has had extensive experience in the insurance business, having operated his own agency and is a former bank director in the Chicago area. He was the Republican candidate for lieutenant governor of Illinois in 1968.
